# Bits and Pieces

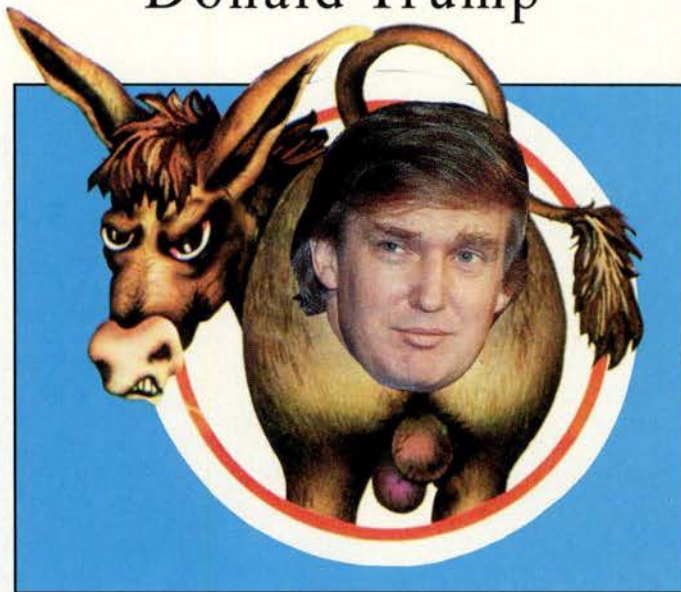

## ASSHOLE OF THE MONTH

### Donald Trump

New York City arguably houses more assholes per capita than any other human settlement in the history of civilization. A large portion of the populace takes pride in not only having an asshole, but in being one as well. The city itself has become almost synonymous with rectal behavior types, hence the widespread phrase: *Just another New York asshole*. Indeed, if every butt vent in Manhattan were a literal shit-spewer, the Empire State Building would long ago have disappeared beneath a mountain of turd. Assholes are, in fact, so prevalent in the Big Apple that nonresidents of the city have taken to rechristening it the Big Asshole.

But Colon on the Hudson has only one Donald Trump, a major achiever in a sewer sea bobbing full of overstrivers. "There is no one my age who has accomplished more," he boasted at 41. "Everyone can't be the best." Already he had become the premier asshole of the asshole capital of an asshole world. Now, three years later, Trump has snagged another carbuncle for his sphincter crown, being named HUSTLER's Asshole of the Month for October 1990.

We tried to ignore him. Trump's stinky bombast, his flatulent self-inflation, his habit of blazoning the name *Trump* all over the side of buildings, airplanes and yachts like some scruffy inner-city graffiti vandal—all were perfect fodder for biting satire. The Donald is the easiest target for pinprick deflation that the 20th century has yet to offer. His

scandal-sheet marital troubles, his disparagement of key employees who had died in the line of service, the fatal accident at an off-season Atlantic City boat race he sponsored, his business alliance with Asshole (June '90) boxing promoter Don King, his helpful hints on this nation's foreign policy, his eponymous board game, his grandiose and self-aggrandizing *Art of the Deal* book—all were classic fare to our cartoonists and *Bits & Pieces* editors. But we resisted the obvious temptations. Trump's name has never before besmirched the pages of HUSTLER Magazine, and we've been a better magazine because of that.

The rest of the journalistic com-

munity wishes it could make our no-Trump claim. While we were lavishing the corporate despot with the inattention he deserved, effete, New York-centric, celebrity-sucking, glossy rags, such as *Spy*, were broadcasting the Rump's every little fart and poot. Their glorification of Trump's most meager trivialities created a media monster. Craven Donald coverage spread from regional society pages to the national yellow press. Trump's smirking mug glowered out from supermarket checkstands everywhere. He couldn't have benefitted from more print coverage if he'd paid for it.

Still, the Tour de Chump would not be contained. Trump made the jump from gossip-column filler to

network television, becoming a staple of the infotainment sound byte. TV, the optimum environment for crass, self-promoting vulgarity, nurtured the Donald's already overfed ego until his swelling head could hardly be contained by the tube.

At this point, Trump had long ceased to be merely a New York City problem. He had invaded the national consciousness. A man could hardly close his eyes without seeing the smug, arrogant, Donald jowls on the inside of his eyelids, with the name *Trump* stamped indelibly behind.

Trump, the man, would have liked the world's little people to believe that he was bigger than life, but reality had other plans. The Donald's latest barrage of publicity has come from news magazines and *The Wall Street Journal*. The headlines are dire; the fine print is ominous.

Trump's empire is built upon money that is not his, \$3.2 billion dollars worth of debt. Obtaining such a staggering magnitude of loans may well turn out to have been the easy part. Now the people who have paid for Trump's glory want some of their cash back, and the terrible tycoon's new book title, *Trump: Surviving at the Top*, has taken on an ironic twist.

The banks have teamed up against D. T., and are threatening to sell off all his trophies. Donald may lose his Trump Plaza, his Trump Princess, his Trump Shuttle and his Trump Castle, but he will always have his Trump Asshole, a trophy no amount of money can buy, and no one can ever take it away from him.

### FARTS IN THE WIND

**George Bush**—The President's cynical posturing and cowardly hiding behind the hysteria of an anti-flag-burning amendment degrades the flag and the Bill of Rights simultaneously, the feat of a coordinated Asshole.

**Ion Iliescu**—President of the newly liberated Romania, Ion Iliescu incited vigilante mobs of rural miners to storm Bucharest by the thousands and beat

antigovernment demonstrators. Although few expect true freedom to reign in the Eastern Bloc democracies, Iliescu's blatant betrayal of the liberty dream qualifies him as an Asshole of global proportions.

**Judge Jose Gonzalez Jr.**—This Florida-based federal jurist has declared a record

album, *As Nasty as They Wanna Be* by 2 Live Crew, obscene and illegal to sell to adults in Dade, Broward and Palm Beach counties. So far, two members of the Crew have been arrested for performing at an adults-only club, and one record-store owner has been booked for selling a record to an adult. Though unprecedented in the history of recorded music, Gonzalez's actions are classic Asshole moves.

# AVOID THESE SEX VIDEOS!

The Rob Lowe tapes turned out to be a yawn, but what of other rumored sleazy celebrity videos? There's no limit to the kinky quirks entertainment stars indulge in.

## Gallagher

As unbelievable as it sounds, sad sacks like Gallagher do have sex, as evidenced by this tape. Everyone in the first three rows gets a piece of the action.

## Jerry Lewis

Jerry's "adults" aren't as cute as his telethon kids, but they're still an attraction for the nutty professor.

## Ernest Borgnine

Wife Tova's skin cream can be used for more than just reducing unsightly wrinkles—it's a rejuvenating lotion!

## Arsenio Hall

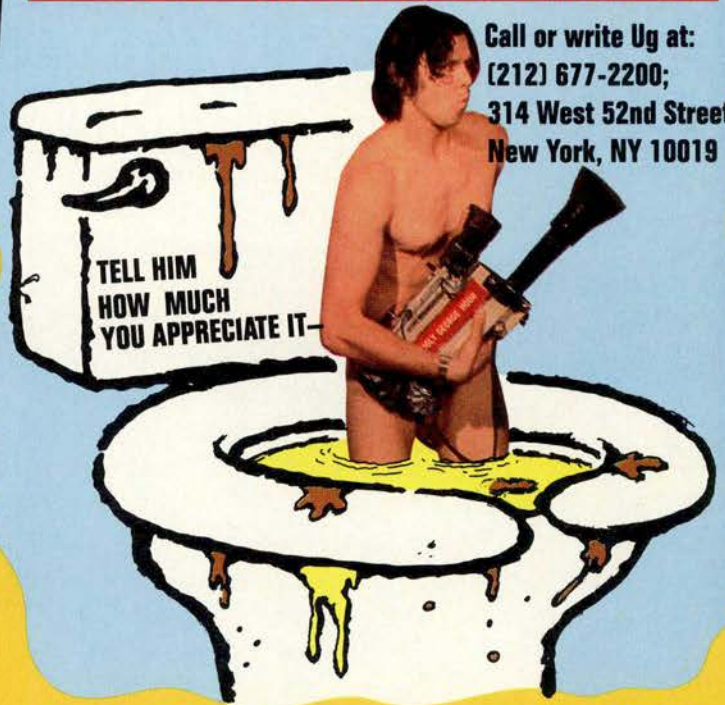

Arsenio's sure excited to have a buddy like Eddie Murphy. Maybe that's why the smarriest man in talk biz forces all his girls to wear a Murphy mask.

In the December '89 and January '90 issues of HUSTLER, New York jerk-off artist Ugly George ran an ad touting his scuz videos. Many readers sent checks, which were cashed, but Ugly did not send tapes. We believe in justice, but please do not send Ugly George a package of shit, wait by his mailbox or make violent threats; such actions are petty, unfair and illegal. Then again, so is stealing money from innocent tape purchasers.

It's time for those annoying brats to come begging for free candy. Which will you give the kids — a trick or a treat? These candy bars give a little of both.

**I**f they can walk, they can work. They're going to go through your garbage anyway; so we might as well have them separate it into recyclable aluminum, paper and plastic. Finally these annoying human leftovers can make themselves useful — just think how good that will make them feel.

**M**inks are helpless and cute; so let's even the score. Rich bitches deserve a taste of the torture these huggable creatures receive. C'mon, you don't see minks wearing jackets made of old-lady skin. That would be gross!

## CLAWS OUT

In reference to your *Sex Play* article "Doing the Dog—Sex and Ugly Chicks" (March '90)...bullshit! I have a big nose, but I am *no dog!* I am *not* used to being treated like trash, or shall I say pumped and dumped (as Mr. Asshole Alex Marvel wrote). I'm used to being taken out and treated with respect. I do not expect diamonds, furs and chauffeur-driven limos! I'd rather be taken out by a poor, good-looking *man* than by a rich *mutt* any day! I think the author of this trash needs to grow up and start thinking more with his brain, instead of his overly small dick!

—T. D. G.  
Huntsville, Alabama

## MARVEL SEES JUST FINE!

Thought you might be amused by some women's-lib responses to Alex Marvel's "Dumb Chicks" article ("Sex With Stupidity: Dicking Dumb Chicks," *Sex Play*, July '90):

Why did God make women beautiful but dumb? Beautiful so men would love them, dumb so they'd love men, and because most men can see better than they can think.

—A. D. P.  
Huntsville, Alabama

## VIGILANTES ANTE UP

My cell mate and I are disgusted by the article *When Daddy Is Psychotic* (April '90), to say the very least.

How the fuck can any self-respecting judge and jury conclude anything other than that the death penalty is warranted for ilk of that type? To give parole to such scum is a ticket to a definite reoccurrence.

You people out there in the free world better wake the fuck up and quit hiding, because one day it could be your own child who suffers at the hands of this virulent, malevolent, malicious evil.

My cellie and I must do time because of

our violent natures, but one day we will walk the streets of L.A. again. I can't say we will be welcomed with open arms. Who welcomes cop beaters like us? But I can assure those child molesters who rape, pillage and plunder the beauty and the innocence of the young and tender that, if they should cross my path, they're through. So remember, before you make the decision to harm the little ones, the judge may have mercy upon your putrid life, but I never will. Count on it.

—D. C. D. and R. W. C.  
Susanville, California

## HOMO PATROL

I have not seen one of your books for years. I happened to run across the June 1990 issue today. The photos of your women are great. But I cannot believe how many cocks are pictured in your pub-

lication! There're just as many cocks as there are cunts! The book is not for gay men, is it? Even the jokes feature more cocks than anything else. It is most disgusting. There's nothing like beautiful clits, tits and vaginas. And that's all that should be pictured. No dinks! Is someone on your staff gay, or what? If you desire more readers, get rid of the cocks! Also, more female-masturbation stories would not hurt.

—L. A.  
Merrimack, Massachusetts

*You guessed it! We're all a bunch of faggots here, crying our eyes out over the tits and ass we're forced to deal with every month. Staring at the few queer ads in the dozens and dozens of ads in our book is the only happiness we get!*

## LOOK HARDER!

I've been reading and enjoying your magazine for about seven years now. I enjoy every part of your magazine, from *Feedback* to the ads to the great photo layouts. The only thing I would like to suggest is that you cut down on the fag ads. There's nothing worse than getting really hot and horny flipping through the pages of *HUSTLER* and seeing some fag with a dick in his mouth! Other than that, you don't need to change a thing. Keep up the fantastic work, *HUSTLER*. Thank you!

### NEXT, PLEASE

I've got some questions about your magazine. They are not intended to be critical—just comments I piled up during a boring Saturday night and would like to know about. 1.) Where do you get info on topics like *Pictures of Death* (June '90)? Interesting, and a little morbid. I like that! 2.) Friends told me HUSTLER is somehow related to *Omni* magazine. Is there a connection? 3.) In *Erotic Entertainment*, are the synopses supposed to be editorials or commentaries? 4.) Why do your models spread their cunt lips? They are luscious as they are. Do not degrade their beauty. 5.) Ah, finally! Male models who are not impotent. Photo sets in other magazines show male models with limp dicks. I for one would be hard around such gorgeous ladies. 6.) Do photographers like getting models wet? Many of your spreads have girls showering or such. Is it to get us readers hot? Some of the girls don't have erect nipples; so they don't really look like they are enjoying it. 7.) What's the big deal with these new female Aussies? In porn, people look the same because they're all undressed. I love British accents, but I don't watch porn to hear the actresses speak. Just curious.

—M. V.  
Huntsville, Alabama

1.) *Crazy as it sounds, people send us meaningless stuff like that in the mail.* 2.) *HUSTLER is far out; Omni is way gone.* 3.) *It's flow-of-consciousness, free-form prose. Kind of poetic, ain't it?* 4.) *To prove they are not transsexuals posing in a fag magazine.* 5.) *You better not be one of the funny guys interested in those funny ads at the back.* 6.) *The girls make themselves wet.* 7.) *The trend is over. Class dismissed.*

### SHOOTIN' THE SHIT

I'm finally getting around to reading your July 1990 issue. Great job! I've never been offended by anything in HUSTLER. You don't discriminate; you slam all subjects equally.

Your article about sick fucks was great (*Fucking Sick: Casing the Psycho-Sexual Case Study*, July '90). I found a copy of *Psychopathia Sexualis* in the back of my grandparents' antique store. Now I know what Grampa read for kicks. You left out my two favorite cases: the nymphomaniac who died of exhaustion, and the guy who was into ladies' toe-cheese.

*Elderly Confinement: Send the Old Folks to the Pound* (July '90) is sad but true. You know what will happen to us in 40 or 50 years? When we get old, they're

going to give us a shot, just like dogs at the pound, or it'll be *Soylent Green* time!

—S. S.  
Mountain View, California

*Gee, no controversy here, S. S. Why'd you bother to write?*

### SEE SPOT JUMP

The centerfold in your July 1990 issue has one small problem (*Erica: Leather Queen*, July '90). Her mole seems to be jumping from nipple to nipple! It is on, then gone, from both nipples. Don't get me wrong—she's a beautiful woman. I've been reading HUSTLER off and on for ten years, and I can't complain a bit, except for this breast question.—M. W. Spearfish, South Dakota

I have been a fan of your magazine for many years and am writing regarding your July issue featuring the exquisite Erica (*Erica: Leather Queen*, July '90).

While enjoying the attributes of the lovely lady, I noticed a flaw in the presentation. It would be easy to explain the error by sending the photos in question; however, I am an inmate in the Washington State Penal System, and cutting up a HUSTLER is tantamount to murder.

The photo taken by Mr. Clive McLean

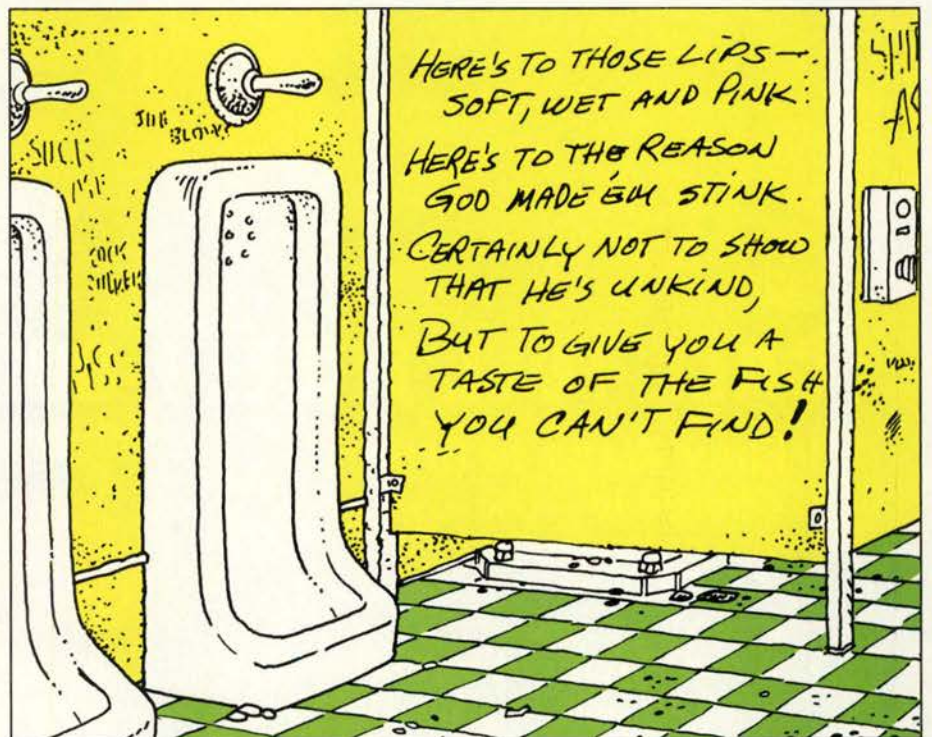

at the beginning of the layout shows Erica with her excellent breasts well presented for our enjoyment. Very clear and sharp. There is a mole on the areola of her right nipple—an attractive flaw in any beautiful woman. In the photos that follow, the mole in question moves from the right breast to the left and back again.

I can see how the error could be made. Simply turn over the photo negative when printing. The obvious reason for doing this would be to have her facing the desired direction. If this is so, I would suggest that you consider the pose and allow for such directional change prior to final layout. This would necessitate time and film, but when dealing with quality, what is a little extra time and film?—L. H. Shelton, Washington

*What indeed? No problem. We'll just cover the additional expense by tossing in a couple dozen more ads for fag videos. Thanks for the tip!*

*Do you have a comment, suggestion or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to Feedback, HUSTLER, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication.*

## BEST FOOT FORWARD

I'm a 42-year-old bachelor, and I sell women's shoes in a strip mall in downtown Cleveland. You wouldn't believe the kinds of feet that tramp into my store every day: big, fat, cracked, discolored, smelly, varicose-veined, dirty and ugly. Feet that should be shod with horseshoes. Feet that haunt my nightmares.

Summers are the worst. Last August was brutal—temperatures in the 90s, with high humidity. Imagine what that kind of weather does to a shoe salesman. For weeks I waited on nothing but bloated gargoyles with enormous, blistered, rancid feet. The cream of Cleveland femininity. Out of the store window, I watched beautiful girls go by—carefree girls in summer outfits. Long tan legs, long tan arms, shoulders, knees—but none came into my store.

One particular Friday was the lowest. I tried for an hour to fit a nasty old battle-ax with extra-wide feet. The stench that rose from her taloned peds was enough to raise the dead.

After she lumbered out of the store (without buying anything, the bitch), the door swung open. In walked Bardot in her prime, or the young Ursula Andress—this girl was in that league. She wore a skin-tight white-cotton dress, barely holding her big tits. Long, slinky legs filled white-mesh stockings. Silky blond hair was done up in a bun, and a trace of mascara brought out beautiful eyes.

"Take a seat," I told her, "and I'll do my best to take care of your every need." She smiled sweetly and daintily sat down. I removed one of her shoes and cradled her goddesslike foot in one hand while reaching for the measuring device. Her skin was smooth and clean, and I treasured the silky feel of her soft, sexy sole, marveling at the delicate instep, the graceful arch, the small, well-groomed toes. I found myself wantonly fondling her foot. She shifted her hips in the chair.

"Is that really necessary?" she kindly

asked me. I got the definite feeling she enjoyed it. I'm not a bad-looking man, and more than once I've triggered a sort of father-figure lech in younger women like herself, and I played it for all it was worth.

"Sorry," I said, with genuine sincerity. "I get so many dragon feet in here that it's a real pleasure to wait on someone as lovely as yourself."

She radiated pleasure at the compliment. I went into the stockroom and brought out

a dozen pairs of shoes. I took my time trying them on her, all the while openly staring at her long, beautiful legs and taking every opportunity to stroke and fondle her satiny feet and ankles. She was driving me crazy, but I must have been doing the same to her, judging by the way she fidgeted.

I got a hard-on. There was no one else in the store, and I didn't try to hide it. Each time I stood up, it stood out a mile. I blushed, but I had a job to do.

"That's quite a shoehorn you've got," she said coyly. "It must work very well."

"Would you like a demonstration?" I couldn't believe I said it. If I wasn't already at the end of my rope, I would never have had the nerve. My heart pounded so hard against my rib cage, I thought it

would burst. I could tell by her expression that she was surprised by my reply. Our flirting came to a head, so to speak, and she didn't back out. She nodded shyly.

"Let's see what it can do," she whispered.

It was a quarter to five. I locked the front door, put out the "closed" sign and yanked the blinds shut. When I turned around, she'd taken off her dress. I doffed my pants and freed my aching cock.

Her bra and panties were black and sheer. Big nipples stretched the gauzy fabric. She undid her flaxen hair, letting it fall around her shoulders, then stepped out of her underclothes.

I took her in my arms and kissed her. She gently put her tongue against my lips; a second later my tongue was deep into her throat. I crushed her against me and ground my dick against her soft pubic thatch and reached up for handfuls of her big, soft breasts. Just touching her pebble-hard nipples made her gasp with pleasure.

We fell onto a leather sofa near the restrooms. She took my cock in her hand and guided it to the soft flesh between her tits. I straddled her chest and slid my enraged cock in and out of the groove her bosoms made as she eagerly pressed them together.

I put a finger into her vagina. She was already wet. Her lips pressed forward, and she took my cock in her mouth. I finger-frigged her while she gave me the hottest head of my entire life.

Her feverish oral manipulations soon brought me to the boiling point. I couldn't bear the thought of coming into this beautiful woman's mouth. I spread her legs apart and rested the head of my tool on the entrance to her steaming quim. I clamped my lips onto hers and simultaneously pushed my tongue into her mouth while my cock surged forward into her tight, hot cunt.

She drew me hard against her, trying to suck my cock deeper into her pussy. In her passion, she pulled my hair and bit my neck. I fucked her hard. With each thrust I seemed to knock the bottom out of her cunt.

I bit into her nipples, making her cry out with pain and pleasure. She was suddenly

consumed by waves of orgasm. Her wildly gyrating cunt had a similar effect on my cock. The sperm rose within me.

I pulled out, then grasped her two lovely feet and pressed them against both sides of my rod. Two strokes of her soft instep, and I spasmed spermy ropes far into the air.

I gave her two pairs of expensive heels for free. Sometimes dreams come true—even for shoe salesmen. She could have had my whole store.

## EYE BALLING

*Two tight-bodied blondes with long tongues, exploring each other's bodies, making their pussies thrash like beavers caught in bear-trap jaws, while pleasure climbs to orgasm—suddenly the climax hits, bringing forth twin syrupy gushers of cunt cum....*

I've told my wife about this hot fantasy more times than I can count. She's always refused to play along. I've had to be content looking at lesbian spreads in magazines.

At the office where I work, a new girl, Pam, recently joined the company. She's a statuesque brunette with curves in all the right places. Guys came on strong to her, but she never seemed to buy their act. I didn't know why until rumors surfaced that she was a lesbian. I shouldn't have been surprised. She was as untouchably beautiful as any of the sleek pussy-eaters in the magazines I like.

I had trouble concentrating on company reports, because all I could think of was Pam making lesbian love with my wife. The images took over my mind. I knew I'd go crazy if I didn't make them reality.

I took fate into my own hands one evening, asking Pam over to my house to meet my wife over coffee and cake. I hoped to spark something more than smiles and handshakes. At the risk of making a fool out of myself, I placed a copy of a lesbian mag where it was sure to be noticed.

Pam and Alice took to each other right away, but in a friendly way, not sexual. I excused myself to go to the bathroom. When I returned, I discovered an amazing sight. Pam and my wife were kissing on the sofa. Pam had her hands under Alice's sweater, feeling her boobs. They French kissed and moaned with unquenchable desire. I saw the lesbian mag spread open to a hot centerfold on the coffee table.

Now, my wife has a warped sense of

humor; so I wasn't surprised when the two of them collapsed in giggles when I burst into the room. I was so let down, I could have cried. But Alice glowed with a kind of excitement I had never seen, and Pam still had her hands up her blouse.

"Your little joke was funny," I said meanly. "But you didn't get to the punch line!"

Pam and my wife smiled at each other playfully. Pam took off my wife's blouse and took one tit in her mouth. She sucked the hardening nipple. My wife sighed softly as the lesbian antics continued. I fell to my knees to eyeball the incredible sight. When I realized they were going to go for it, I unbuttoned my pants to slowly fist my cock.

Pam pulled down my wife's jeans and panties and ran her long nails along the insides of her thighs. She went down on Alice's tight gash. Her tongue swabbed the widening pink slit with a practiced skill that had my wife squirming in ecstasy.

Alice clutched Pam's hair as Pam made a frenzied attack on her cunt box. My wife has a very sensitive clit. Soon, a heavy stream of cum washed over Pam's long, probing tongue. Her body heaved as she be-

came a prisoner to Alice's bodily eruptions.

Alice tore her cunt away from Pam's hungry mouth, stuck one of Pam's strawberry nipples into her own tongue-filled orifice and suckled like a newborn babe. Pam slipped her hand along my wife's creamy front side until her fingers found her throbbing clit.

The touch seemed to pour gasoline on Alice's raging fire. She attacked Pam like a locomotive out of control, forcing her down onto the couch.

My wife had told me that she wasn't into girl/girl action, but she took to it like a fish to water. She burrowed her nose into Pam's cunt like a champion muff diver. Pam clawed the couch with her bright red nails. Her tongue snaked out of her mouth into the open air in crazy passion. Soon Pam was bucking like a rodeo cowboy.

From my own rapid movements on my prick, I was coming too. I yelled uncontrollably as my prick exploded, sending wads of spunk five feet across the room.

Both women laughed. "We must have reached the punch line," said Alice, drawing a pattern on Pam's firm belly with her own hot cunt cream. "Looks like we brought down the house!"

## WHERE THE GIRLS SWEAT

*Fully Erect.* Directed by Bruce Seven; starring Madison, Brianna Rai, Porsche Lynn, Tianna, Bionca, Bridgette Monroe, Krisstarah Knight and Darla Derriere. Videocassette: *Elegant Angel*.

Attention antiporn activists: Want a definition of obscene? Take this all-pussy extravaganza to the Supreme Court. Don't let the judges watch it alone; they're liable to return from chambers with cum on their judicial restraint. Hard-core XXX at its evil best, this twisted, off-kilter story of Bridgette Monroe's fascination with—and fear of—lesbian sex takes place in a women-only health club, where Darla Derriere leads the jazzercise class of a stroker's dreams. After dancing around like they can't wait to get fucked, eight of porn's hardest bodies start pumping iron. Sweaty female muscles flex and strain in those thin, strappy pseudo bathing suits that go up the crack of their asses. Then they pump each other, filling butts and cunts with all manner of beads and dildos. At one point, Tianna jams Porsche Lynn's ass with a black dildo that's so big, Tianna can't even get her hand around it—but it goes in that hole. The soundtrack, a weird mix of music and moans, adds to the strange, hypnotic feel. The girls are sweating; you'll be coming.

—Mal O'Ree

## PARTING SHOTS

*Half Erect. Directed by Eselle Ferrand; starring: Sabrina, Randy West, Brandy Wine, Jessica Longe, Frankie Leigh, Renee Morgan, Jon Dough and Billy Dee. Videocassette: Vidco.*

Parting is such sweet swallow, especially when it's the succulent Sabrina scarfing down a schlong. The blond beauty opens up all cavities in this scintillating sinfest. She and boyfriend Randy West recall fond fucks of the past before he goes away on business. The trip down mammary lane is made memorable with a rectal ravishment of Jessica Longe by West, but really hits nostalgic nirvana with the Sabrina-West, Frankie Leigh-Billy Dee dueling dorkings, with Dee pummeling Leigh for all she's worth. Sabrina knows the value of a potent farewell fuck, and offers her bunghole for West's bon-voyage bone in the fervid finale. Backed by an especially good music score, and only a couple of droopy dick drillings, *Parting Shots* scores a ball's-eye more often than not.

— Sam Lowry

## A TASTE OF PURPLE PASSION

*Half Erect. Compilation. Starring Purple Passion, Lori Lovitt, Ray Victory, Jeannie Pepper, Tony Montana, Randy West and Ron Jeremy. Videocassette: Caballero.*

Purple Passion does not have Amber Lynn's ass or Tori Welles's tits, but she does have a perky sense of humor, an attribute sorely lacking in most of today's porn stars. Talkin' dirty and lickin' honky snatch, humpin' cracker and spade cock and takin' it all the way up the butt, Purple shouts and squeals, a sanctifyin' old-time gospel kind of girl who praises pricks and pussies loud enough to rock the heavens. She takes fucking to church by way of the jungle. Unfortunately, most of her partners and cohorts lack her wit and vocal vitality. Passion needs to be more than just Purple.

— Woody Hood

## SHADOW DANCERS

*Three-Quarters Erect. Directed by John Stagliano; starring Tianna, Krisstarah Knight, Lauren Brice, Brandy Alexandre, Susan Vegas, Nina Hartley, Kiki, Sean Michaels and John Stagliano. Videocassette: Evil Angel.*

Any pervert who has ever explored the seedy bars of the urban sexual wasteland, wallowing in a sea of sluts and drunks, with a hard-on in his pocket, will have an affinity for this dreamlike, gritty look into nude dancing. Director/actor John Stagliano wanders through the nocturnal streets of L.A., reminiscing about the golden days of stripping. The flashbacks provide several hot scenes. The sex is raunchy, filled with nice, tight close-ups of butts, pussies and cock-sucking. Susan Vegas demonstrates her incredible deep-throating, and Tianna turns her sexual fires on high. Lauren Brice has one of the tightest pair of buns around, and she knows how to wiggle them onto a cock. Her glowing-eyed style of cocksucking is jerk-off material. After the first 40 minutes or so, the video gets locked into repeating the same erotic tricks, and after the fourth striptease-to-fuck bash, the action gets old. The tape slips from the gritty docuporn style of the beginning to a cheap sex soap of the underworld, ending in an onstage orgy with clips of *Part 2* shown because apparently no one could figure out how to end it.

**Dancers 1:** Wallowing in a sea of sluts.

— Lenny Wilde

## FRAT BRATS

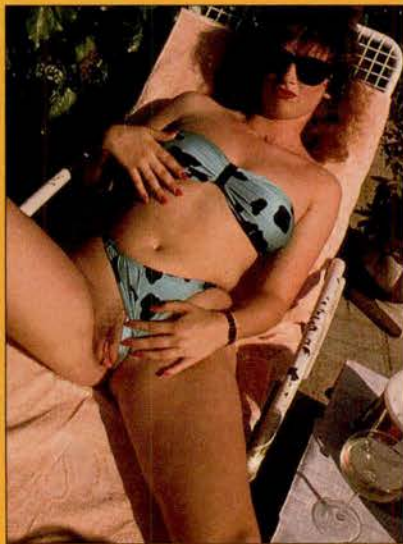

*Half Erect. Directed by William Margold; starring Viper, Cara Lott, Kassi Nova, Penny Lane, Becky Easton, Ariel Knight, Eric Edwards, Ron Jeremy and Ray Victory. Videocassette: VCA.*

This fluffy bit of silliness about the goings-on at a college sorority is Margold's answer to last year's *Sorority Pink*, another coed frolic that failed to cause much extracurricular stroking. Margold and his *Brats* get a B for a lot of genuine laughs, but the grade comes down because while the women are suitably nasty—a welcome addition to any fraternity bar night—there isn't enough sexual heat for any sustained study hall. Let's not linger on boring academics and get right to the point of attending this fictional campus: Cara Lott's shiny slot of a cunt and tongue-stiffening asshole; Becky Easton's nipples pointing north; Penny Lane's valedictorian legs and A+ ass; the greasy oil spill between Kassi Nova's legs; and Viper opening her legs a mile wide for Ray Victory's big, black cobra. The women of Mills College could learn a few things from these *Brats*.

— M. O.

**Brats:** A welcome addition to bar night.

Lords looks good poolside in *Heat*.

## BLAME IT ON THE HEAT

*One-Quarter Erect.* Directed by Frank Thring; starring Tracey Adams, Mike Horner, Carol Cummings, Sasha Gabor, Tom Byron, Jeff James, Staci Lords, Shane Hunter and Bianca. Videocassette: *Intropics*.

The warm, sensuous feeling of the California sun supposedly has aphrodisiacal powers over anyone caught in its glare. If that's the case, then this tape should be left out on a hot, sticky L.A. summer day to bake. Mike Horner is a neurotic husband caught up in masturbatory monologues of the women in his life. The endless self-indulging dialogue is boring, and sheds no light on sexual arousal. That's a shame, too, because Tracey Adams and Carol Cummings are both at their most fuckable. Adams is perfect as the matronly mother type: full, firm tits and a quiet style of

lovmaking that must be how married couples do it. Cummings is the opposite: a sinewy, rock-titted Valley Girl who throws an orgy, but forgets to invite the cameraman; anything worth watching was missed. Lords generates some heat poolside with Shane Hunter, and the scene where Horner oils up the sunbathing Cummings is somewhat bone-stiffening. Other than that, the only stiffness will be from boredom.

—Don Birman

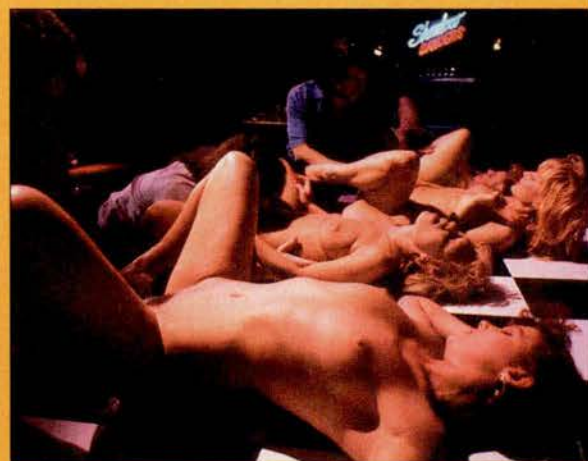

## UNCHAIN MY HEART

*Half Erect.* Directed by Bob Vosse; starring Randy West, Tom Byron, Rachel Ryan, Joey Silvera, Cheri Taylor, Kim Alexis, Peter North, Brandy Alexandre, Renee Morgan and Jerry Butler. Videocassette: *Coast to Coast*.

Apart from a slow start, *Heart* avoids the error of putting too much filler between the sex scenes. The Ryan and Morgan lez-off lurches and limps until Byron joins in and launches his load on Ryan's comely grin. Cheri Taylor gets thrown and boned by Joey Silvera. He sticks his toe in her trim, then lies back for a two-hand gland grab. Unfortunately, she defuses the action by refusing the facial. Butler's banging sets Ryan's jugs jiggling, but before the viewer can savor the image, the sight of Alexandre's distended butthole and cunt rudely intrudes. Byron avoids these two horrific orifices, opting for her mouth. A good choice, as she salvages some lost heat by eating his meaty sauce. Carnally charismatic Kim Alexis teases with a slit-stroking, nipple-biting solo flight, then pleases Randy West, deep-throating his tube steak and squirting tit milk on his balls and in his peehole. Ryan finishes off Peter North, rubbing his spunk into her skin and smiling cutely for the camera. More than one taste of Alexis might have unchained hearts and hard-ons.

—W. H.

You'll yank your crank off for *Dancers 2*.

## SHADOW DANCERS 2

*Fully Erect.* Directed by John Stagliano; starring Tianna, Susan Vegas, Kiki, Lauren Brice, Brandy Alexandre, Nina Hartley, Krisstarah Knight, Randy Spears, John Stagliano, Joey Silvera, Sean Michaels and Adam Carr. Videocassette: *Evil Angel*.

If an erotic adventurer gets an urge to venture into the murky underworld of limber, plush-cheeked exotic dancers, rival strip-club proprietors and hot-rod vice detectives, the explorer can do no better than to make his descent into dancer depravity accompanied by the guiding lens of director John Stagliano's gleaming, cum-glazed camera. Stagliano's viewfinder is an extension of the hard-core smut audience's roving raunch eye, bulging out and zooming in upon heavenly akimbo haunches, quivering quim and sultry slut mouths masticating throbbing lobes of man meat. And that's just the connecting footage. The sex scenes are also hotter than the average fare. Fuckers tease and torment one another's libido-tensed torsos, skin slipping lightly upon skin as the percolating couples, trios and unclad crowds build toward extended bouts of passion-filled bone bopping that escalate in intensity until the home viewer screams ecstatically: "Stop it! I've had enough—you'll make me yank my crank right off!" Only then do the twirling terpsichoreans spill their foamy loads.

—Christian Shapiro

## JUICY LUCY

*Half Erect.* Directed by Alex deRenzy; starring Rebecca Steele, Sabrina, Mia Powers, Jamie Gillis, Nina Hartley and Tom Byron. Videocassette: *VCA*.

Rebecca Steele is the latest Fallon takeoff, a "vaginal well" who can come buckets. But is it live...or a squirt gun inserted up her snatch? Jamie Gillis believes it's real. As doddering university researchers, Gillis and his assistant, Nina Hartley (and two stupid European accents), offer \$25,000 to the girl who can gush like a ruptured water main. Steele's that girl. She gives her best friends (Sabrina and Mia Powers) a demonstration in the school library. The girls get naked and lap gashes with gusto. Fingers and tongues become bookmarks in their volumes of vulva, and Sabrina even pages through her bunghole while Rebecca flips her cunt lips. It's all too much for Steele, who shoots like a water cannon. Gillis finds his wet dream when Steele and Tom Byron recreate their earlier dorm-room flood on the doctor's examining table. With dick in mouth, Rebecca offers her snatch for all to see and, under the strong and forceful thrusts of Byron's bone, squirts to win the prize. Worth watching, but take out flood insurance.

—D. B.

# Linda/Les

## and Annie

THE FIRST FEMALE-TO-MALE  
TRANSSEXUAL LOVE STORY

No HUSTLER Rating. Created by Al Jaccoma, Johnny Armstrong and Annie Sprinkle. Videocassette: Aja Video, 132 West 24th Street, New York, NY 10011.

It's a big world, and there should be room in it for everybody, even for self-proclaimed freaks such as Linda/Les Nichols. Les used to be Linda, a radical, anti-male lesbian. As

a gender-hostile dyke, Linda couldn't help but notice the "unfair" preferred status conferred upon penis owners by our society. Linda loathed the cock wielders; yet she yearned to be one. After years of hormone treatments, complex and painful operations, and several thousand dollars spent, Linda managed to become the object of her revulsion, replete with scruffy beard and many crude, institutional tattoos.

*Linda/Les & Annie* has some appeal. Sociologists, surgeons and freak fans may be interested in its diagrammed explanation of surgical procedures and a naked thing with a hunk of scar tissue for a penis and hairy slit and clit below. Annie sucks the bogus boner, sticks something in Linda/Les's pussy, licks the clit, takes a would-be rod into her twat, and provides narration linking up interview segments with Les in a shirt and tie. Les is most sympathetic when clothed.

When HUSTLER ran the photos of Les's knife-altered sexual plumbing (*I Love a Woman with a Cock* by Annie Sprinkle, February 1990), the response was overwhelming disgust. The video is more of the same, with sound. Be advised to invest \$4.95 for a February HUSTLER before spending big bucks for the video. While you might in theory be understanding, sympathetic and tolerant of any sexual deviance, that compassion can quickly dissipate when the aberration is stuck in your face.

## THE NIGHT TEMPTRESS

Half Erect. Directed by Jean-Pierre Ferrand and Peter Davy; starring Sharon Kane, Jesse Eastern, Kassi Nova, Lee Carroll, Lynn LeMay, Marc Wallace, Peter North, Tom Byron, Lauren Brice, Wayne Summers and Mistress Jacqueline. Videocassette: Pure Class Productions.

Mistress Jacqueline is the Night Temptress, but she doesn't have sex. Rather, she insinuates herself into Sharon Kane's dreams and gives her some kinky ideas on how to improve the marriage that Sharon whines about through much of this video. Frankly, the way hubby Jesse Eastern snacks on her snatch, it's difficult to believe her complaints. An energetic Kassi Nova/Marc Wallace coupling follows, climaxing in a butt-then tit-fuck that leaves a wad blast dripping from Kassi's kisser. When Lee Carroll drops by, Sharon fantasizes fucking her twat and ass with dildos, a nasty ream-out inspired by their classic scene in 1983's *Sexcapades*. Kane's encounter with Peter North starts slow—he doesn't have a ready hard-on—but once she's sucked him to attention, she makes good use of his wood, and is rewarded with a cum bath equivalent in force and copiousness to that of five ordinary men. A so-so orgy and an adventuresome scene by Eastern (in lingerie) and Lynn LeMay round things out. Mistress Jacqueline has the last word ("experiment, let go," etc.), as Mistresses usually do. —Chas Beatty

Byron face-to-pussy with a Whore.

## THE WHORE

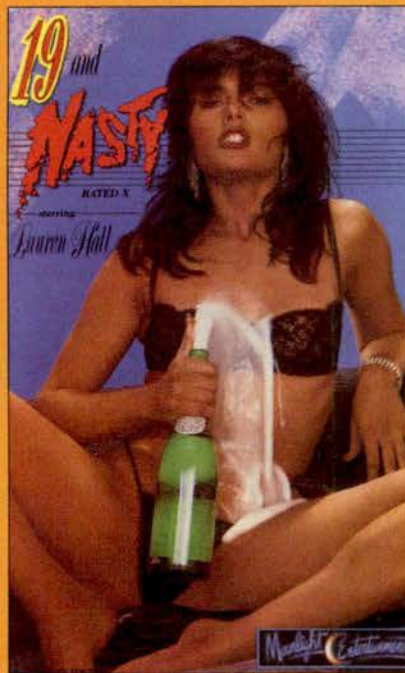

Shot on Film. Three-Quarters Erect. Directed by Alex deRenzy; starring Lili Corati, Tracey Adams, Jeannie Pepper, Debi Diamond, Jamie Gillis, Joey Silvera, Tom Byron, Marc Wallace, Mike Horner, Steve Vegas, Susan Vegas, Raven Richards and Blake Palmer. Videocassette: Caballero.

Although the title of this Alex deRenzy shot-on-film Mafia soap opera falsely indicates that only one whore will be featured, the cognizant cog-yanker will realize even before he slides the tape out of its decorative packaging that we are all whores in the adult-flick biz, prostituting our limited skills and talents in the service of the lone john squatting at home and squeezing off molten blasts in the cathode glow. DeRenzy, a premier hooker of hard-core, tosses some of his most competent tricks into *Whore*. The camerawork is crafty and mobile—some of the shots probably had to be blocked out, with actors rehearsing their movements—a porn rarity. And the sex? Oh, yes, in with all the Marlon Brando *Godfather* impersonations is a fire-puss brunette who spits fluent and fervent Italian as dicks spit fiery cum and she licks inflamed bum, and a Tom Byron ass mastery of Jeannie Pepper's ebony sphincters. —C. S.

## 19 & NASTY

Half Erect. Directed by Scotty Fox; starring Lauren Hall, Randy Spears, Mike Horner, Brittany, Eric Price, Bridgette Monroe, Sabrina and J. B. Videocassette: Moonlight Entertainment.

Who knows what type of nightmare she might present in real life; when she steps in front of a video lens, lust-actress Lauren Hall becomes unequivocally beautiful. Her face has the photogenic power of a world-class model, and she enjoys an easy, natural poise when talking or sucking cock for the camera that many a superstar of fashion mag and runway would envy. Once her clothes are off, Hall reveals full, firm but fleshy goddess hips and ass, with a naturally buoyant fall of breast that is classical in its proportions and timeless in primal appeal. Luscious Lauren, if her sense of self-worth were only a bit more in proportion with her actual market value, would be making mega bucks and have legions of worshipping fans as a legitimate star of stage or screen. Yes, the tramp has sold herself short, whether lipping labia or sponging up the semen of Mike Horner or Eric Price—but we're sure glad she did, as is director Scotty Fox, because without Lauren Hall, *19 & Nasty* would have nothing to recommend it. —C. S.

## PORN ON THE FOURTH OF JULY

*One-Quarter Erect. Directed by Gordon Van Der Meer; starring Charli, Brittany, Peter North, Tracey Adams, Blake Palmer, Rachel Ryan, Eric Price and Randy West. Videocassette: Intropics.*

July: Meat-beating malpractice.

No battle-scarred, wheelchair-bound vets screaming anti-American slogans here; just bored, disinterested porn stars going through the motions. The story is set in a clinic where cunt-crazed gynecologists give tool therapy to their patients, but the twat torquings are so tepid, it practically qualifies for meat-beating malpractice. The only saving grace is the Rachel Ryan closer, where she's worried about a lump in her tit, but soon has a lump in her throat and up her crack, thanks to Blake Palmer's brazen bedside manner. For those who like cum-covered tits, *July* does have jizz-coated jugs in all fuck scenes, with Peter North's lacquering of Brittany's lungs tops in milky mammaries. Technically atrocious, with numerous sound drops and the director calling the shots, *July* is shorn of heat and not a very patriotic way to perk up pricks. — S. L.

## THE LUSCIOUS BAKER GIRLS

*One-Quarter Erect. Directed by Duck Dumont; starring Cheri Taylor, Jeannie Pepper, Mia Powers, Cameo, Kimberly Kane, Randy West, Don Fernando, Mike Horner, Tom Byron and Rod Sterling. Videocassette: Vidco.*

This could have been real pocket-rocket-launching raunch, but each of the six sex scenes gets bogged down by pacing that Dumont might think is slow and sensual, but the viewer knows is just plain slow. Zombies fucking on Thorazine does not make a pretty picture. Despite this, there are a few moments of passion. Sultry Mia Powers, on a ladder with Tom Byron and Don Fernando, deep-throats and dirty-talks Don's dong while offering her glorious, round ass to Byron's tongue and fingers. Her eyes shine with little-girl sweetness when she looks up to Fernando for approval of her oral technique. Apparently, it's okay by him, because he's soon showering her smiling visage. This girl is not cum-shy. Cameo has a lovely face, cute ass and long, sleek legs that look great opening up for Randy West's ramrod. She gives his tool a sizzling tongue massage, and she squeaks adoringly as he pounds it to her. Kimberly Kane whispers to Don Fernando the three wonderful words that all men long to hear: "Fuck my ass!" He does and she digs it. The other 75% of *Luscious* is simply tedious. — W. H.

West finds Cameo **Luscious**.

## PUBLIC ENEMY

*One-Quarter Erect. Directed by Buck Adams; starring Buck Adams, Carol Cummings, Ray Victory, Sean Michaels, Mia Powers, Natasha Skyler and Chantelle. Videocassette: V.I.P.*

Porn stars portraying loathsome scumbags are so much more believable than when they play any other part. Buck Adams, looking like a middle-aged Billy Idol on steroids, shows a flair for evil in his role as a homicidal, white-supremacist drug dealer reminiscent of Rutger Hauer in *The Hitcher*. Buck manhandles his moll Carol Cummings, ramming his reamer down her throat while accusing her of stepping out, then he fucks her from behind until she begs for permission to come. Ray Victory and Cummings team up for a pseudoromantic romp that's sickeningly sweet and lacking in heat. Mia Powers and Sean Michaels get together twice with the same lukewarm results, and a Chantelle/Natasha Skyler 69 has one memorable moment: Overheated Skyler finger-banging her brownie while simultaneously slapping her own butt. Other than that, it's business as usual in this feeble pud-puller. Viewers may wish this *Enemy* had never gone public. — W. H.

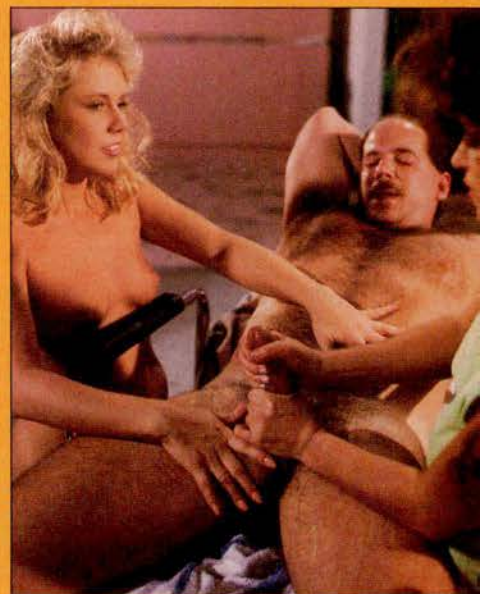

## **PUBLIC ENEMY**

## TOUCHED

*One-Quarter Erect. Directed by Judy Blue; starring Nikki Charm, Joey Silvera, Staci Lords, Rebecca Steele, Chaz Vincent, Christopher Charm, Wayne Summers and Dizzy Blonde. Videocassette: Vivid Video.*

Although the script tries to put a cute twist on the Midas touch fable, it ends up shooting itself in the dick. Nikki is a young masseuse who has just had a pair of new hands grafted onto her arms. Her old ones were mangled in an exercise machine. The new hands have a mind of their own—they just *have* to grab tits, dicks and crotches. Not much is made of Nikki's "erotic touch." After gripping her first client by the nuts, Nikki gets fired from her job at a hair salon, but not without going mano-a-mano with Rebecca Steele. A tease scene, in which Chaz Vincent does a sexy lingerie and dildo-stuffing act for Joey Silvera, seems to have been tossed in to burn tape. She isn't going to fuck him. (Chaz only does it with real-life boyfriend Dizzy Blonde.) The show wraps up with Joey inviting Nikki to meet his family and then doing some chick-swapping with Christopher Charm and Staci Lords. The only thing this will make you want to touch is the eject button. — L. W.

Summers gets **Touched** by Charm and Steele.

Pussy petting at its most perfunctory in **Single 3**.

## SINGLE GIRL MASTURBATION 3

*One-Quarter Erect. Directed by Anna Maria Monet; starring Kitty Luv, Satina, Susan Vegas, Mona Lee, Raven Richards and Angelica Tomlinson. Videocassette: Eye Shadow Productions.*

This sextet of soloing sluts is pussy-petting at its most perfunctory, sunk by its largely unattractive and uninspired group of gropers. None of the girls bring out any rubber goods to plug their poons; so its basically just a lick and stick of their fingers in and around their creamy cracks. The only two names of note are Susan Vegas and Raven Richards, who far outshine the other jerk offs. Susan's routine includes plunging three digits in her dickpit, slapping her snatch around, and getting off with the best moans and groans of the bunch. Raven, complete with jet-black fingernails, mildly titillates with her teasing twat tickle. The rest of the girls look like they wouldn't get aroused if you stuck 40,000 volts through them. The tape is best summed up by paraphrasing what Mona Lee, a bucktoothed Sinoslit, has to say as she preps for her passionless quim quivering. As she looks longingly at the viewer, she swears her two favorite words are *tease* and *please*. After sitting through this heap, *cease and desist* are ours.

— S. L.

## BACK TO NATURE

*Half Erect. Directed by Duck Dumont; starring Kim McKay, Brittany, Jeannie Pepper, Rene Fox, Lauren Brice, Peter North, Mike Horner, Randy West, Don Fernando and Gregor Samsa. Videocassette: Caballero.*

Some scenes, if they're hot enough, can make up for a generally lacklusting tape, and the gang-bang between Kim McKay and three hung hunks more than proves the point. Kim plays the wife of goofy ornithologist Mike Horner, a mama's boy who wants to wait until they're married before boning. Kim satisfies herself with a vivid imagination, one that comes to life with the guns of Peter North, Don Fernando and Gregor Samsa staring her straight in the face and fuzz. They take turns ravishing the awesome Aussie, with two prongs constantly receiving tonsil treatment. North and Fernando then square off to take aim at her fabulous face, shooting off gobs of goo that drip from her hair, eyes, nose and mouth. The only other encounter of note is North's stuffing of Jeannie Pepper's sepia shithole, which he practically seals shut with his cannon of cream. Nature isn't consistent enough to harken back the spirit of Euell Gibbons, but some parts are edible.

Some parts of **Nature** are edible.

## THE SECRET

*Half Erect. Directed by Henri Pachard; starring Victoria Paris, Sharon Kane, Natasha Skyler, Joey Silvera, Rick Savage, Brittany and Peter North. Videocassette: Soho Video.*

Usually spuzz-vid director Henri Pachard has writer Raven Touchstone to blame for the wordy, drawn-out, dismal dispositions of the characters putzing through his tapes. As *Secret's* writer, producer and director, Pachard bears full responsibility for the sad-sack story and the slimy schtuppers who populate it. The action revolves around a bar where people go to talk shitty to one another. Why does Victoria Paris continuously return to such a dive? Would any of us, desperate as we might be to dip our dicks, frequent such a sewer of bad attitudes? Probably we would, but we don't have to: Paris bends forward for Joey Silvera to sniff her savory seat; Peter North squirts copiously in the squinting asshole of Natasha Skyler; Rick Savage's tongue swabs Paris's pooper; Sharon Kane and Brittany play toilet-top trollops; Savage squeezes off on Brittany's bosoms; and Silvera skims cum on Skyler's buns. Some secrets are better off keeping.

# CHAUVINIST SEX IS BEST

**T**he 20-year-old checker pulls a chain across the aisle. She's closing her register. It's 11 p.m. on a Saturday night, and her shift at the Piggly Wiggly is over. "Just you two," she says to two gentlemen in line.

The first steps up to the counter with an armful of baby carrots. "Perfect for steaming," he says to her. He's trying to hit on her, but the bit about steaming is no double entendre. He's attempting some real communication. There are no waves of animal attraction—nothing her aching body can relate to. She bags his carrots and sends him on his way without so much as a smile.

The second gentleman steps up. He's got a six-pack of tall boys, and he can't tear his eyes from her chest. It makes her self-conscious, but she's flattered that someone thinks she's sexy after such a long night of work. She takes his \$20, and their eyes meet. "I give a good massage," he tells her. She's itching to fuck him, but a warning has gone off in her head. *He stared at my tits, she worries. How can I go to bed with a chauvinist and retain my self-respect?*

It wasn't always the case. Prior to 1960, young women with brains and libido leaped at a date with a chauvinist man. The idea of the feminist man had not yet been born—if any such animal had come her way, she would have screamed for her life and run away. Chauvinist men, proverbial knights in shining armor, rescued young damsels from such vermin.

Females in the '90s are enamored of the idea that jumping into the sack with a feminist man is a one-way ticket to Fuckin' Heaven, while it would be less painful to cut off their tits than strap on a schtup with a chauvinist.

Bullshit propaganda aside, which is really better—sex with a chauvinist man or a feminist man? Like grades at school, a C is always better than an F.

## DO CHAUVINIST MEN RESPECT WOMEN MORE THAN FEMINIST MEN?

Consider, first of all, that men love money more than they love pussy—even the 18-year-old kind. Now consider that:

**C:** A chauvinist man pays for sex, out of respect for the lady.

**F:** A feminist man expects it for free, also out of respect for the lady.

A whopping 90% of women surveyed preferred sex that was paid for with cash or dinner and entertainment to a simple fuck-for-fuck transaction. While 80% felt that cash gifts were unnecessary if the man in question had a cock thicker than a \$20 bill or professed a desire for all-night cunnilingus, all agreed that in the absence of these longshots, money or gifts were a definite plus.

"Empty pockets don't make a woman feel good, even

after the most expert cunt-stuffing," comments one respondent, a shapely redhead with areolas the size of her fists. "With a chauvinist man, a lady has cab fare. With a feminist man, she'll likely walk home. What's so respectful about that?"

## IS CHAUVINIST SEX SAFER THAN FEMINIST SEX?

**YES!** Consider that:

**C:** A chauvinist man opens doors. He waits in elevators for the ladies to exit before he does. If there is any danger of a lady being struck by a speeding car or flattened by a falling piano, a chauvinist man will pull her out of harm's way, even if it means he is run over or squashed, because there is a chance that he might fuck her later on.

**F:** When a gal's number is up, a feminist man lets her take the fall, out of respect for her independence. However great the chance of fucking afterward, he will put aside his libido and think only of her inalienable rights. His respect in this instance may lead to death.

One hundred percent of the poll would rather be saved from accidental death by a chauvinist than be neglected by a feminist. And 75% confirmed that they would probably agree to fuck their lifesaver afterward, confirming the lifesaving chauvinist's motivational hunch.

More about safety. "Chauvinist men are hardly ever Haitian or bisexual, and they rarely use needles to take drugs," observes a left-handed, cherry-lipped

brunette who says she rarely wears underwear and likes to stimulate her labia before entering a party for its natural perfume. "I know for a fact that many feminist men take it up the butt, to find out how a woman feels. That much openness can be deadly these days. I feel much safer fucking a chauvinist."

ARE CHAUVINIST MEN MORE HONEST... THAN FEMINIST MEN?

YES! Whether chauvinist or feminist, every poon-conscious man has sex on the brain. When he sees a woman, he sees a potential fuck. The difference lies in each man's capacity to recognize, not deny, his urges.

C: A chauvinist man will say, "I could ride you all night." Right away, a girl knows how far she has to go.

F: A feminist man says, "I'd really like to get to know you better." What the fuck does that mean?

More about honesty. "Men use a million pick-up lines," comments a 28-year-old blond respondent, an ex-debutante dominatrix with an American-made convertible that she forces her dates to drive. "The absolute lowest is an ass-kissing feminist bragging about how big his understanding is. The only understanding I'm interested in is knowing who's going to pick up the tab after dinner and drinks, and it better not be me. I don't feel protected—I don't feel feminine—when I take out my wallet. And when I don't feel protected, I don't feel like spreading my legs to every passing breeze. When I'm out to dinner with a chauvinist man, I know damn well who's paying. Right away I want to play. With a feminist man, I'm thinking of the bill, dividing everything in half. I never know what's expected of me, and I don't want to ask. Fucking is out of the question. At times like those, even a man as strong as Arnold Schwarzenegger couldn't pry my legs apart with a crowbar."

Survey results: A resounding 80% of respondents indicated that they felt chauvinist men were more honest than feminist men. Chauvinism is the best policy.

WHICH SEX IS MORE FUN, CHAUVINIST OR FEMINIST?

Keep in mind that:

C: Chauvinist men know damn well there isn't the slightest chance of men ever understanding women and vice-versa, and they don't even try.

F: Feminist men are convinced that there's little difference between a rock-hard rod and a sopping honeypot.

Ninety-seven percent of women surveyed agree that fucking a man who knows the difference between men and women is infinitely more satisfying than fucking a man who doesn't even notice.

"Difference makes all the difference!" enthuses an aspiring 25-year-old actress with auburn tresses that curl invitingly down the

baby-soft small of her back. "Fucking a man is fun *because* he's so much unlike me. I'm a slot. I need a handle. Without that tension, I might as well be balling my girlfriend."

Survey results indicate that chauvinist men make sex fun without even trying. For feminist men, a bad lay is work, not play.

WHICH SEX IS MORE ORGASMICALLY FULFILLING?

Consider these apparent facts:

C: A chauvinist man believes he can satisfy a woman without any help from her.

F: A feminist man wants to satisfy a woman without any help from her.

A crucial difference between belief and desire comes into play here. The chauvinist man, in his passionate belief that he can satisfy a woman, is open and responsive to training. A woman, through the expert appliance of appropriate yips, moans and grunts, can play him like a human vibrator. The feminist man, in his passionate desire to satisfy a woman, disregards everything in his single-minded ambition and becomes simply useless.

"The best sex I've ever had has been with chauvinist men," raves a statuesque 6-1 redhead with cleavage like a crevasse in the Swiss Alps. "They know exactly how to respond to a woman's sensual needs. When they do something right, I moan. When they don't, I'm silent. Chauvinist men go for moaning women again and again! I slept with a feminist man once, and I would have had more orgasms if I had gone to bed alone. No matter how I tried, he didn't listen to word one! He was convinced that he had the

capacity to understand my needs—that the understanding was somehow within him to begin with. I didn't have the heart to correct him. He was always on the verge of tears. A guy like that brings out the mother in a woman, and I'm simply not into incest!"

Given the facts, it's easy to see why 75% of respondents said chauvinist sex satisfied them more than feminist sex. Unfortunately, 25% of the women surveyed appeared to have been gratified to sleep with *any* kind of man. Where are the chauvinists they so richly deserve?

WHICH SEX IS MORE CONVENIENT, CHAUVINIST OR FEMINIST?

Here is the question that is most significant to today's professional women, the gal on the run. Consider that:

C: A chauvinist man is likely to get up and leave immediately after a bone job.

F: A feminist man has a tendency to stay—and stay—and stay.

Every gal who needs a good night's sleep will appreciate the chauvinist's early departure. The feminist who wants to spend the rest of the night in bed with her is unlikely to remain where he'd do the most good—covering the wet spot. It's a relief to get the guy out and on his way as soon as possible. How thoughtful of the chauvinist to take the initiative without being asked!

Given the repressive social atmosphere in which today's chauvinist men struggle to assert their inherent superiority, the '90s woman should wash the feet of such a manly man with tears of gratitude. 🌍

"Okay, Winfield, get into bed," the long-legged nurse says as she strides purposefully into the ward where three mental patients are conspiring. As she leans over to pull up Winfield's blanket, one of the mental patients jumps her from behind, mauling her tits and ass. "Now, George," she says, fending him off, "what was all that about?"

"Fred wants to see your soul."

"Is that right, Fred?" she asks.

The third mental patient just shrugs. After striking a deal that the three will go to bed peaceably if she shows them her soul, the nurse teases, "Now, where is my soul?"

Fred leers, "You know where it is."

And she does. Hiking her skirt, back to the camera, she bends over revealing plump butt cheeks.

As George spreads them, the camera moves in for an extreme close-up of her buttocks.

From the shadows of the soundstage, director Gregory Dark grins. "It's good to be back," he says, rubbing his hands together.

Then, to the cameraman, "Closer, Al."

Just when you thought it was safe to uncover your asshole, the Dark Brothers, porn's premier purveyors of fine filth, are back

Smut—rather than

brother—brothers, Walter and Gregory Dark's first porn outrage was 1984's *Let Me Tell Ya 'Bout White Chicks*, in which a group of black dudes sat around and bragged about boning white women. Their last, 1986's *Deep Inside Vanessa Del Rio*, a send-up of "inside" movies that purported to give fans a true peek at porn stars' off-camera lives, showed

Vanessa's escape from her hometown in Communist Russia, her brief career as a door-to-door dildo saleswoman and, in the finale, as jizz receptacle to five studs. In between came *New Wave Hookers*, *Between the Cheeks*, *White Bun Busters*, *Let Me Tell Ya 'Bout Black Chicks*, *Black Throat* and *Devil in Miss Jones III & IV*. These tapes depicted the raunchiest sexual situations in the most stylish manner, exploited racial stereotypes, explored new avenues of depravity and made tons of money.

Kelly and Marina take the road less traveled by — and that makes all the difference.

"In the desert, even in winter, the sun doesn't go down until nine," says sienna-sweet Marina, a Minnesotan by birth. The sweltering afternoon has made her slick with sweat. "I'm staying up as long as it does!"

Kelly sighs with helpless pleasure, guiding Mari's hand along the fresh glow of her newly shaven slit. "The air smells fresh, the breeze off the water is cool, and nothing — nothing — feels as good as hot skin in the sun!"

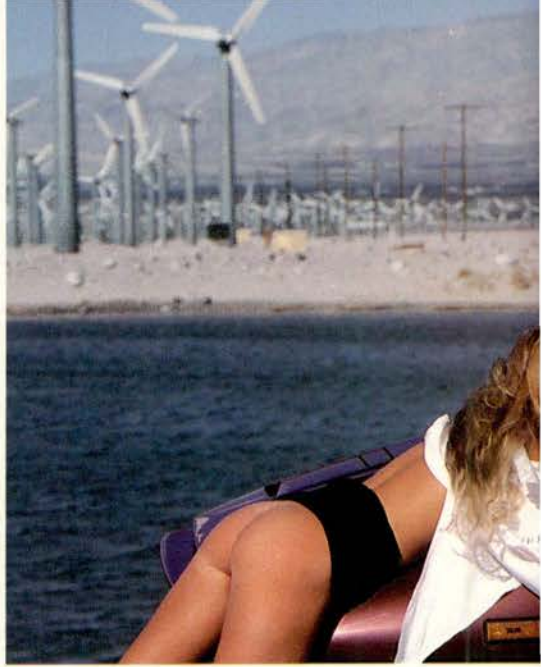

## DARK BROTHERS (continued from page 37)

He doesn't seem like a guy who'd fuck his girlfriend while she was throwing up, because the vaginal contractions were so incredible.

Then, right about the time that superstar porn queen Traci Lords revealed that she'd made all but one of her 100 or so fuck films before she'd turned 18—hoodwinking both the porn industry and the federal government, ID-wise—the Darks took a powder from XXX.

Now, four years and a detour into R-rated, exploitation general-release films later, they're back. Asked why now? Greg Dark would only reply cryptically, "It's safe."

It's so safe, in fact, that their comeback feature, *Between the Cheeks II*, is being shot in Los Angeles, off-limits to porn productions until only a year ago, when losing a couple of court cases convinced L.A. authorities that bending the law to prosecute adult-film makers was, indeed, unlawful.

The soundstage is a remodeled movie theater in one of Los Angeles's black neighborhoods—a fitting location for a Dark Brothers production.

It's high noon, Friday. Greg Dark is in a corner chatting with Bionca about how she should play her role as the soul-baring nurse. Mild-mannered and soft-spoken, he doesn't seem like a guy who'd teach his pit

bull to dive under girls' dresses and sniff their snatches, or who'd fuck his girlfriend while she was throwing up, because the vaginal contractions were so incredible.

The first scene to be shot is an extensive dialogue scene in a mental hospital, followed, with any luck, by an ass/pussy double-penetration of Bionca. Since the hospital beds and a couple of actors aren't here yet, Dark has time to talk before rehearsal. The comfort of a gutter not being available, we repair to the next best location to converse: the alley.

"Why are you back in porn?"

Gregory Dark: "To set this industry right!"

"You mean it's not because you couldn't make it in the real world?"

Dark: "No. I did okay. I have a good general-release film agent. I get about two offers a year, which is not *ten*, but two's okay. I did some TV stuff. I can make a living in the straight-film industry. The problem is that it's just so fucking boring. I woke up one morning and said to my girlfriend, 'I can't take it. I'm going to go crazy. I want to go back to doing what I

know how to do—dealing with women!' "

"Have things changed much since you've been away from porn?"

Dark: "I don't know as many of the girls. But things now are like they were when I first got into porn. Everything looks the same. Everybody's trying to do *sex, lies, and videotape* on some level, but they're incapable of doing it. The directors are just there for a payday. When product differentiation becomes impossible, the audience gets cheated. They're not getting off. So I thought, *Now's a good time for the Dark Brothers to come back*. Bring back buttholes and insane situations."

"Is anyone doing work that you like?"

Dark: "No one. Nobody. I watched some John Leslie stuff, but I didn't really like that. Same with Henri Pachard. His stuff used to be pretty good. Even deRenzey. I just saw *Pretty Peaches*, what...VII? His stuff's okay, but his old stuff was just so much better. Paul Thomas's stuff is just ridiculous—these fake relationships with people who are incapable of relationships."

"So what do you want to see?"

Dark: "I like really pretty girls, and I like to see them get fucked in most interesting and bizarre ways. I like odd situations that are psychological—situations that are parts of the other side of people that they can't admit to themselves. That's the kind of film I try to make, not situations that you could easily come across in any bar or restaurant."

"How are the girls who don't know you reacting to you and your movies' raunchy reputations?"

Dark: "They don't seem put off much."

"What were auditions like for this movie? Did you make them do unspeakable things?"

Dark: "Yeah. I wanted them to lean up against the wall on their heads and do themselves with two fingers—one in the ass, one in the pussy. They seemed willing."

"What do you look for in a girl's asshole?"

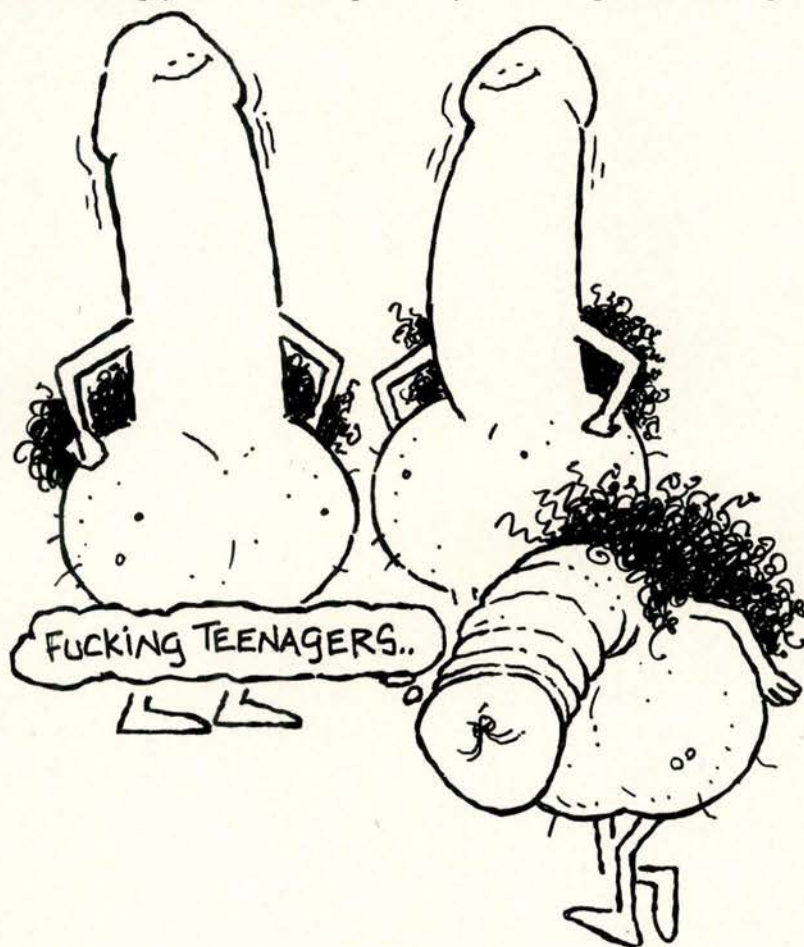

Dark: "One that looks tight, but could take big dicks. I like 'em pink and nice—healthy-looking assholes. I can't remember the girl's name, but it looked like parts of her insides were about to come out her asshole. You might think she was going to die on you. I like assholes that are in alignment with their bodies—nothing too out of proportion. I hired girls who have some of the best assholes in the business."

"Are you single-handedly going to revive anal sex?"

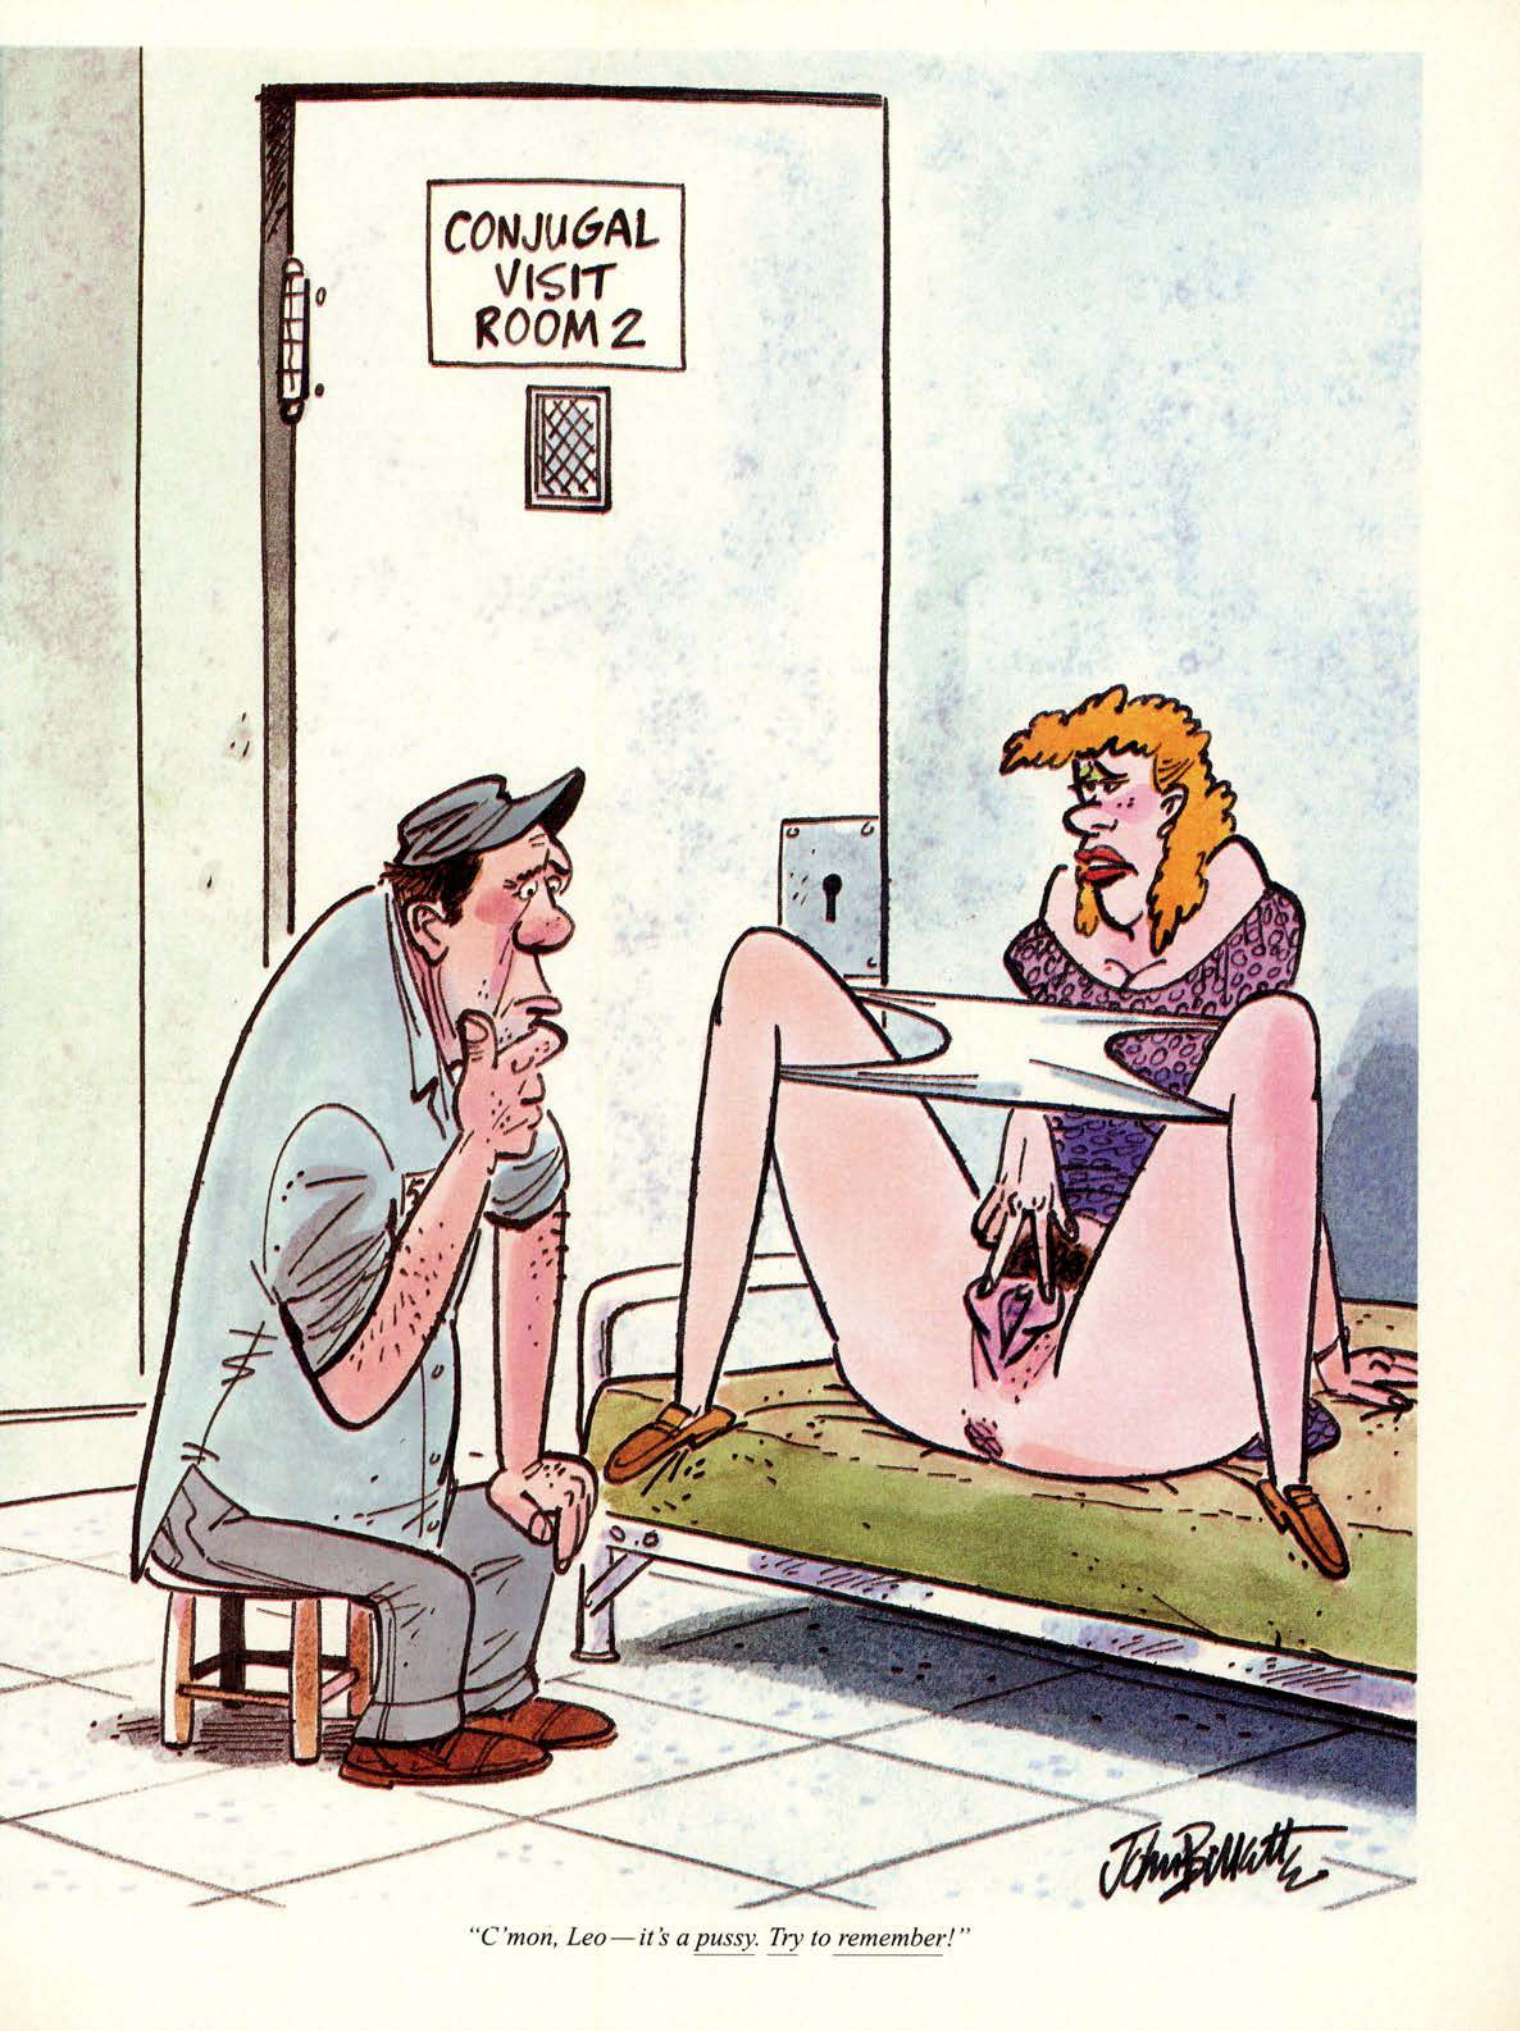

Dark: "I hope so."

"Are you using rubbers?"

Dark: "No. Should I be using rubbers? They don't want to use rubbers, these girls. I asked them. They said, 'Rubbers?' I thought maybe the guys would come, then peel the rubbers off and pour the cum on

them. I thought things like that would be nice. Or girls could drink out of them."

"Krista Lane did that once."

Dark: "Yeah. She's gone, isn't she?"

"They're all gone. All the girls you turned into—"

Dark: "Depraved bitches, yes. Lois Ayres showed up in my office the other day. Rachel Ryan is still around, her recent celebrity notwithstanding. I'm thinking of using her as the lead in *Devil in Miss Jones V*. I think she'd be really good. She's not as depraved as she used to be, though. I said, 'I want you to fuck five guys.' She said, 'What?!' I said, 'You know, like you used to do.' She says, 'Well, I don't do that anymore. I like romantic things...but I'll do *Devil in Miss Jones V*.' I said, 'Oh. Well, you've got to fuck five guys.' She says, 'Oh, that's okay.' 'They're all going to fuck you in the ass.' 'That's okay.' But who knows? Girls who have been in this business for five years now see themselves as romantic inspirations for the masses. Whereas I think the masses want to see hot bitches getting boned and being wild about it."

"Is Walter Dark involved much in this?"

Dark: "Walter's out of the country right now. I'm doing most of this myself. We produced a couple of normal pictures, and we're doing another one, but he encouraged me to get back into this because he was so bored as well. He said, 'At least I can hear about it even if I'm not around.'"

"So what's on the agenda?"

Dark: "Sequels. I'm starting with *Between the Cheeks II*, then I'll do *New Wave Hookers II & III* and *Devil in Miss Jones V & VI*. I'd like to do *Misty Beethoven II*."

"But what are you going to do that's different, say, with *New Wave Hookers*?"

Dark: "It'll be a more structured story. The first one was like a fantasy loop thing that commented on the type of porn that was prevalent then, sort of Hal Freeman pornography, or *Swedish Erotica*. I'd like to satirize the kind of pornography that exists now, using all the techniques I'm good at. Now I'm much more interested in the story inferences and metaphors in scripts than the flashy visuals that used to interest me. I'm more interested in extremes of character and the nature of psychosis."

"Are you sure that the audience will be

as interested in these things as you are?"

Dark: "I think they will. The stuff will be very entertaining. It'll have hot sex. Hot lookin' babes."

"You're doing this stuff in *Between the Cheeks II*?"

Dark: "Yeah."

"What's it about?"

Dark: "The protagonist is a psychotic who believes, like many psychotics believe, that space aliens are going to take his soul away through his asshole if he ever takes a shit. In his fantasy life he believes he runs an escort service because he was fixated psychologically in the state that he's in by his mother being a prostitute all his life. We see flashbacks—his mother turning tricks, taking money from men—and this is the beginning of his psychosis, the kernel that expanded into delusions of aliens taking over his body. We used some case histories to develop the script. Ultimately, it addresses the nature of reality."

\* \* \*

While Dark rehearses the three mental patients, I wander upstairs to the makeup room. Makeup artist Ruby Midnight is preparing Bionca to face the camera. New boobs, dental work, a firmer, lightly tanned body that imparts a lustrous glow—Bionca looks better than she ever has. As she slithers into her nurse's uniform, I ask if Greg Dark made her do unspeakable things at her audition. "No," she says, adjusting her skirt, licking her lips and assessing the look in the mirror, "he just talked about his dog."

Two hours later they're ready for the sex scene. Bionca bends over, swaying seductively. T. T. Boy, who's going to butt-fuck her while Tom Byron pounds her pussy, dives between her cheeks and starts eating her ass. Bionca sucks Byron's cock and shoves two fingers in her asshole. T. T. Boy's tongue heads south to her twat.

Dark, watching the video monitor intently, directs the scene: "Pan up her body, Al.... Suck it harder, baby, lick it up and down.... Lick underneath his dick, baby.... Hold that, Al. Play with your tits, honey.... Your shirt's in the way, Tom.... That's hot, baby, do that.... Suck it harder, baby.... Pan down her body, Al. That's hot. Pull back a little bit.... Suck it, honey.... Go in tighter to his dick, and go up to Tom's face...."

Bionca had asked before the scene started that the ass-insertion be brief, maybe a few quick strokes, then the rest faked. In the heat of the scene, however, her request seems to have been forgotten. T. T. Boy fucks her for about a half hour, while the camera roams around. Finally, the guys pull out, cum flies everywhere and the director calls, "Cut."

It's taken six hours to shoot two scenes.

After dinner there's another dialogue

She cut him into small pieces, cooked them in boiling water until the meat fell away from the bones, then disposed of what remained.

More than 400,000 women are serving time in American prisons for felonies ranging from armed robbery to assault to murder. Arrests of women for murder have increased dramatically in the past decade. Women murder for the same reasons men do: money, hate, sex, revenge, or for no apparent reason at all. They do it with a ferocity that causes even the most street-hardened cop to cringe.

Even before infamous Lizzie Borden's ax guaranteed her a place in history, women were committing violent, bloody murders. In fact, Lizzie, or whoever swung the ax that ended the lives of her parents, may well have taken lessons from Roxana Druse, who offed her husband with an ax almost ten years earlier. Nobody knows what made Roxana mad at her husband. All they know is that the kindly old farmer, loved by all his neighbors and active in civic leadership of the town, disappeared one cold winter night in 1889.

Not long after his disappearance neighbors noticed a gruesome stench coming from the chimney of the Druse farmhouse. No one bothered to investigate,

until Roxana's son decided to spill the beans.

The old man had come in from work and sat down to eat his dinner. Roxana snuck up behind him and smashed his head in with the blunt side of the ax, then used the sharp end to dismember and disembowel him. She cut him into small pieces, cooked them in a pot of boiling water until the meat fell away from the bones, then disposed of what remained by burning it in the fireplace.

Roxana was hanged. Statistically, she would have gone free today, plea-bargaining her crime down to manslaughter and getting off with probation and time served while awaiting trial. The most she would have gotten under those circumstances would have been five years. In only about one out of every 1,000 cases does the murderer actually face execution. For a woman the chances are even less.

Preconceived notions concerning the character of women prevent us from seeing reality. At the time of the murder she may be a raving lunatic, stabbing, shooting, biting and clawing anything or anybody within her reach. By the time she goes before

the court a year or two later, the jury sees the sweet young "girl next door" who relates to the court how the old brute beat her and tortured her until she had to knock him off to save herself. It's impossible for the jurors to believe she could actually take a knife and methodically carve up another human being. Defense attorneys get the jury's sympathy, and they're home free.

The contract murder of James Pierson by a high-school boy exemplifies this type of situation. The victim's daughter, Cheryl Pierson, is accused of contracting to pay Sean Pica \$400 to end her father's life.

Few people know what really happened on that cold winter day. At first the police thought it was just another professional hit: no evidence, just a corpse with five small-caliber bullets in it. But someone tipped investigators that Cheryl had been looking for a hitman, and suspicion shifted in her direction. Once she got started, Cheryl couldn't shut up. She told everything.

According to her statement to arresting officers, James Pierson had been having sexual relations with Cheryl for several years, since the day her mother entered the hospital with an incurable disease. Her mother eventually died, leaving her father both sad and hostile at having to raise the children alone.

When Cheryl resisted having sex with her father, he took it out on the whole family. She finally consented, even though she knew it was wrong. But eventually Cheryl's father stopped coming to her bed at night.

At first it was a relief, then Cheryl came home one day to find him curled up with her younger sister on the couch watching TV. That was the way it had started with them.

The thought of him putting his hands on the little girl's young breasts and that hateful organ inside her body made Cheryl angry as hell. She had to stop him, but how?

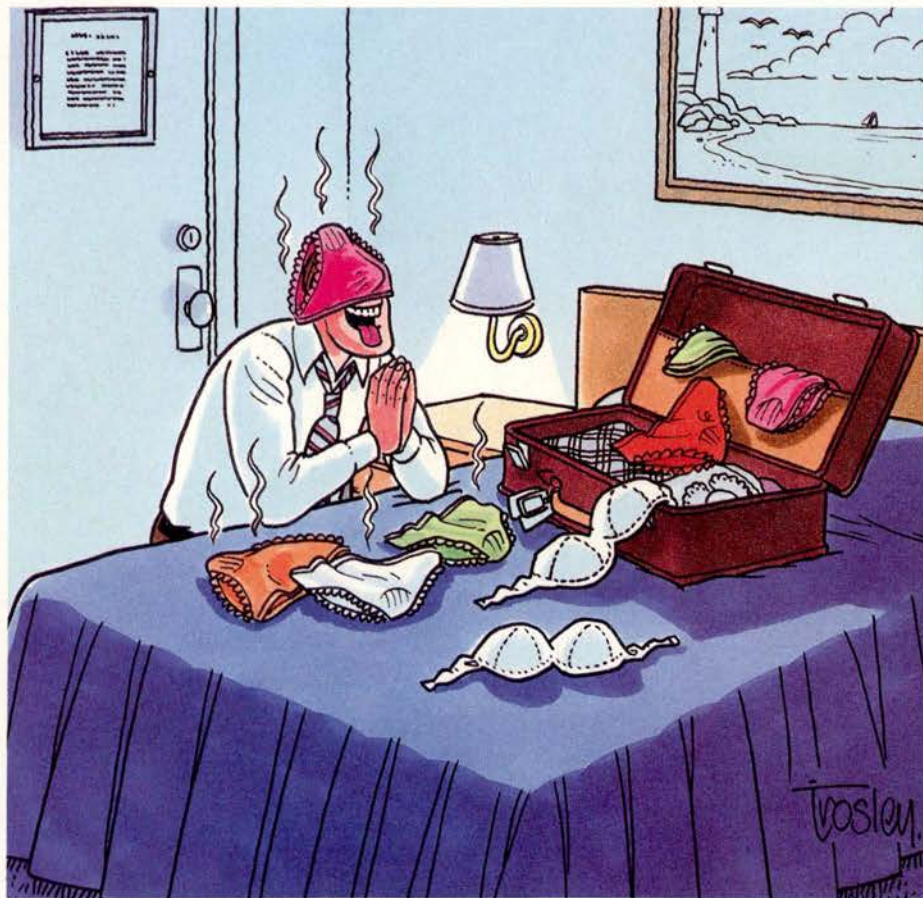

The answer came from a surprising source. She was talking with classmates about a woman who had contracted the murder of her husband. The fellow who sat next to her in the classroom said, "I could kill somebody like that."

Though she hardly knew him, she made the deal. He would kill her father.

That was the beginning. The plan would fail several times, but eventually ended with a corpse on the front sidewalk in a puddle of blood, and a 17-year-old girl being charged with second-degree murder.

Was James Pierson an incestuous beast who sexually devastated at least one of his daughters? Only the daughters know for sure, but guilty or innocent, it was the excuse used for his cold-blooded murder (murder in self-defense, as some would choose to call it).

Cheryl accepted a plea bargain. She pleaded guilty to manslaughter, a crime

that carries a maximum six-years sentence. Found guilty, she's set to serve six months incarceration. Cheryl may have been the brains behind the crime, but her accomplice took the hardest fall. Sean Pica was sentenced to eight to 24 years.

As little sense as this murder makes, some make even less sense.

Like Cheryl Pierson, Diane Downs claimed to be a molested child. However, she lacked Cheryl's guts, choosing to let her pent-up anger swelter inside until she could take it out on someone who couldn't fight back—her own children.

When co-worker Lew Lewiston got mixed up with Diane, he thought it was going to be a casual fling. He hadn't counted on Diane's persistence. Diane became obsessed with having Lew, but he wouldn't leave his wife. What could she do to capture this man of her dreams?

It was just a passing comment. Lew happened to mention that he didn't like kids. He didn't mean anything by it, but to Diane it was the answer to her dilemma. If she didn't have kids, she could have Lew. Then the two of them could have beautiful

kids together, kids Lew would love because they would be his own.

When the red Nissan pulled up to the emergency room, Cheryl, age seven, was already dead. A bullet had severed her aorta. Blood covered most of the interior of the small car; more blood dripped from the side of it. It looked like a slaughterhouse floor.

Diane's other two children were still alive. Danny, age three, shot in the chest, would be permanently paralyzed from the chest down. Christie, age eight, was clinically dead, but a superhuman effort by the hospital staff would save her life. It was primarily Christie's testimony that sent Diane to prison indefinitely.

Diane's story-telling abilities rose to the situation. She claimed to have been driving along a lonely country road when a "shaggy-haired stranger" flagged her down, called her by name, then systematically shot her children. As kind of an afterthought, he also shot her through the arm. According to her story, all Diane could think about was saving her children. That wouldn't explain why a witness saw her driving toward the hospital at less than ten miles per hour.

If Christie hadn't survived, Diane probably would have gone free. But Christie lived, and Diane was convicted. Diane didn't help her case any by laughing out loud during the most grotesque testimony, flirting with every man in the courtroom and showing very little concern when bloody photographs of her disfigured children were entered into evidence.

Downs escaped on July 11, 1987, from a women's correctional center in Oregon where she was incarcerated. She was captured ten days later shackled-up six blocks from the prison with a male psychiatric aide. It will be at least 25 years before she'll once again know the feeling of a man inside her. By then she'll be too old to have more children. She'll never be able to replace the ones she "lost."

While the atrocities committed by Diane Downs were kept in the family, the bloodbath carried out by Lafonda Foster, age 22, and Tina Powell, age 27, were more widespread. They didn't even know some of their victims.

According to neighbors, Carlos Kearns was a sort of "sugar daddy" to some of the local chicks, giving them small amounts of money for booze and letting them hang out at his house and party. His wife and friends may have just been at the wrong place at the wrong time.

When the smoke cleared, five people were dead: Carlos, his wife Virginia, Trudy Harrell, Theodore Sweet and Roger Keene. Ms. Harrell lived with the Kearns couple. Keene was a neighbor, and Sweet just happened to stop in, a mistake that he never lived to regret.

According to police, Foster and Powell arrived at the apartment looking for money. When Kearns failed to satisfy their request, the enraged women began their drunken orgy of death. Bloodcurdling screams split the air. One by one Kearns's wife and friends were stabbed, shot and, finally, run over by Kearns's car.

The most gruesome and painful death was left for Kearns. He was set on fire inside his car. As the man's skin cooked and the fatty tissue underneath boiled from the heat, the two girls simply walked away. Kearns was still alive when medical personnel got to the scene, but he died later that day from massive third-degree burns and carbon-monoxide poisoning.

Neighbors depicted Kearns as a crazy old man who never hurt anybody. One overheard him saying he was King Solomon. All of them had seen him walking around the neighborhood with the pistol that would become a murder weapon.

Live cremation is probably the most painful death a person can experience, but it's over quickly. Torture, on the other

hand, can take days, weeks or months.

No one has ever successfully explained Gertrude Banaszewski's sudden dislike for the two Liken girls, Jenny, age 15, and Sylvia, 16. The teenagers had been left in her care while their parents traveled, and Gertrude was paid well for their upkeep. But she fed them only enough to keep them alive and allowed them no comforts.

Gertrude developed a demonic anger toward the girls. She beat them constantly for no apparent reason, first with her hand and later with a board. She was especially cruel to Sylvia. Gertrude's daughters were urged to beat the poor girl. One of them broke her hand from hitting Sylvia so hard, but that didn't slow her down any. Her cast made the beating even more painful.

As attention focused more and more on Sylvia, Jenny avoided the family's wrath by fading into the background. She was somewhat successful.

One day Gertrude got the bright idea that it would be fun to set Sylvia's fingers on fire with matches. After that the beating sessions often included a little pyromania.

When Gertrude was too tired to beat

Sylvia, she turned her over to the neighborhood boys who ran around with her son. They needed a dummy to practice judo on. Sylvia fit the bill. They'd kick and punch their human target against a wall.

Gertrude got word around town that Sylvia was a prostitute, available to the local boys any time they wished. She put on parties at which Sylvia was forced to undress and dance lewdly in front of any of the neighborhood guys who dropped by.

On the last day of the young girl's life, Gertrude decided she wanted to be a tattoo artist. Assisted by one of the neighborhood boys, Rick Hobbs, she held the half-conscious form of the once-beautiful teenager against the floor. With a white-hot needle she burned the phrase, "I am a prostitute and proud of it."

When she finished her artwork, Gertrude beat Sylvia with a strength she'd never before demonstrated. When she had finished, Sylvia was dead.

Death may have been a relief for the young torture victim, but for Gertrude it was a complete disaster. Sylvia obviously hadn't died of natural causes. Finally, she

decided that she had better call the police.

When the cops arrived, it was as if the house was filled with a flock of parrots. Everything Gertrude said was immediately repeated by everyone present, word for word. Even young Jenny agreed with the ridiculous story about a gang of boys kidnapping Sylvia and burning and torturing her to death, but when she was able to get a policeman aside, she told him, "Get me out of here, and I'll tell you everything."

He did, and she did.

There was absolutely no remorse shown by Gertrude during her trial. She readily admitted everything. When asked why she'd done it, she smiled and quietly answered, "To show her a lesson."

Gertrude was given life in prison.

It's unknown what kind of lesson Judith Ann Neelley and her husband Alvin were trying to teach Lisa Ann Millican, a resident of a church-operated group home, when they kidnapped her from a shopping center, raped her and pushed her from a cliff. The 13-year-old isn't around to tell her side of the story.

Apparently the couple's motive for dragging the girl into their car was purely sexual. Lisa was molested for three days, according to evidence submitted at Judith's trial for murder. When Judith and Alvin had gotten all the sexual satisfaction they could handle, they decided it was time to say goodbye to Lisa. Only minutes before she had been a source of demented pleasure. Now she was excess baggage.

The couple injected drain cleaner into the girl using a syringe. The liquid must have made the teenager feel as if her insides were on fire as it coursed through her body, but it didn't kill her. It only made her scream and moan in agony. The injection was repeated six times. Still Lisa held on, never losing consciousness. The girl's agonized cries would soon attract attention. The couple began to panic.

Hauling the teenager's tortured body out of the car, they dragged her over to the edge of a sheer drop-off. The idea was to shoot her in such a way that her corpse would drop into the canyon below. It didn't work as planned.

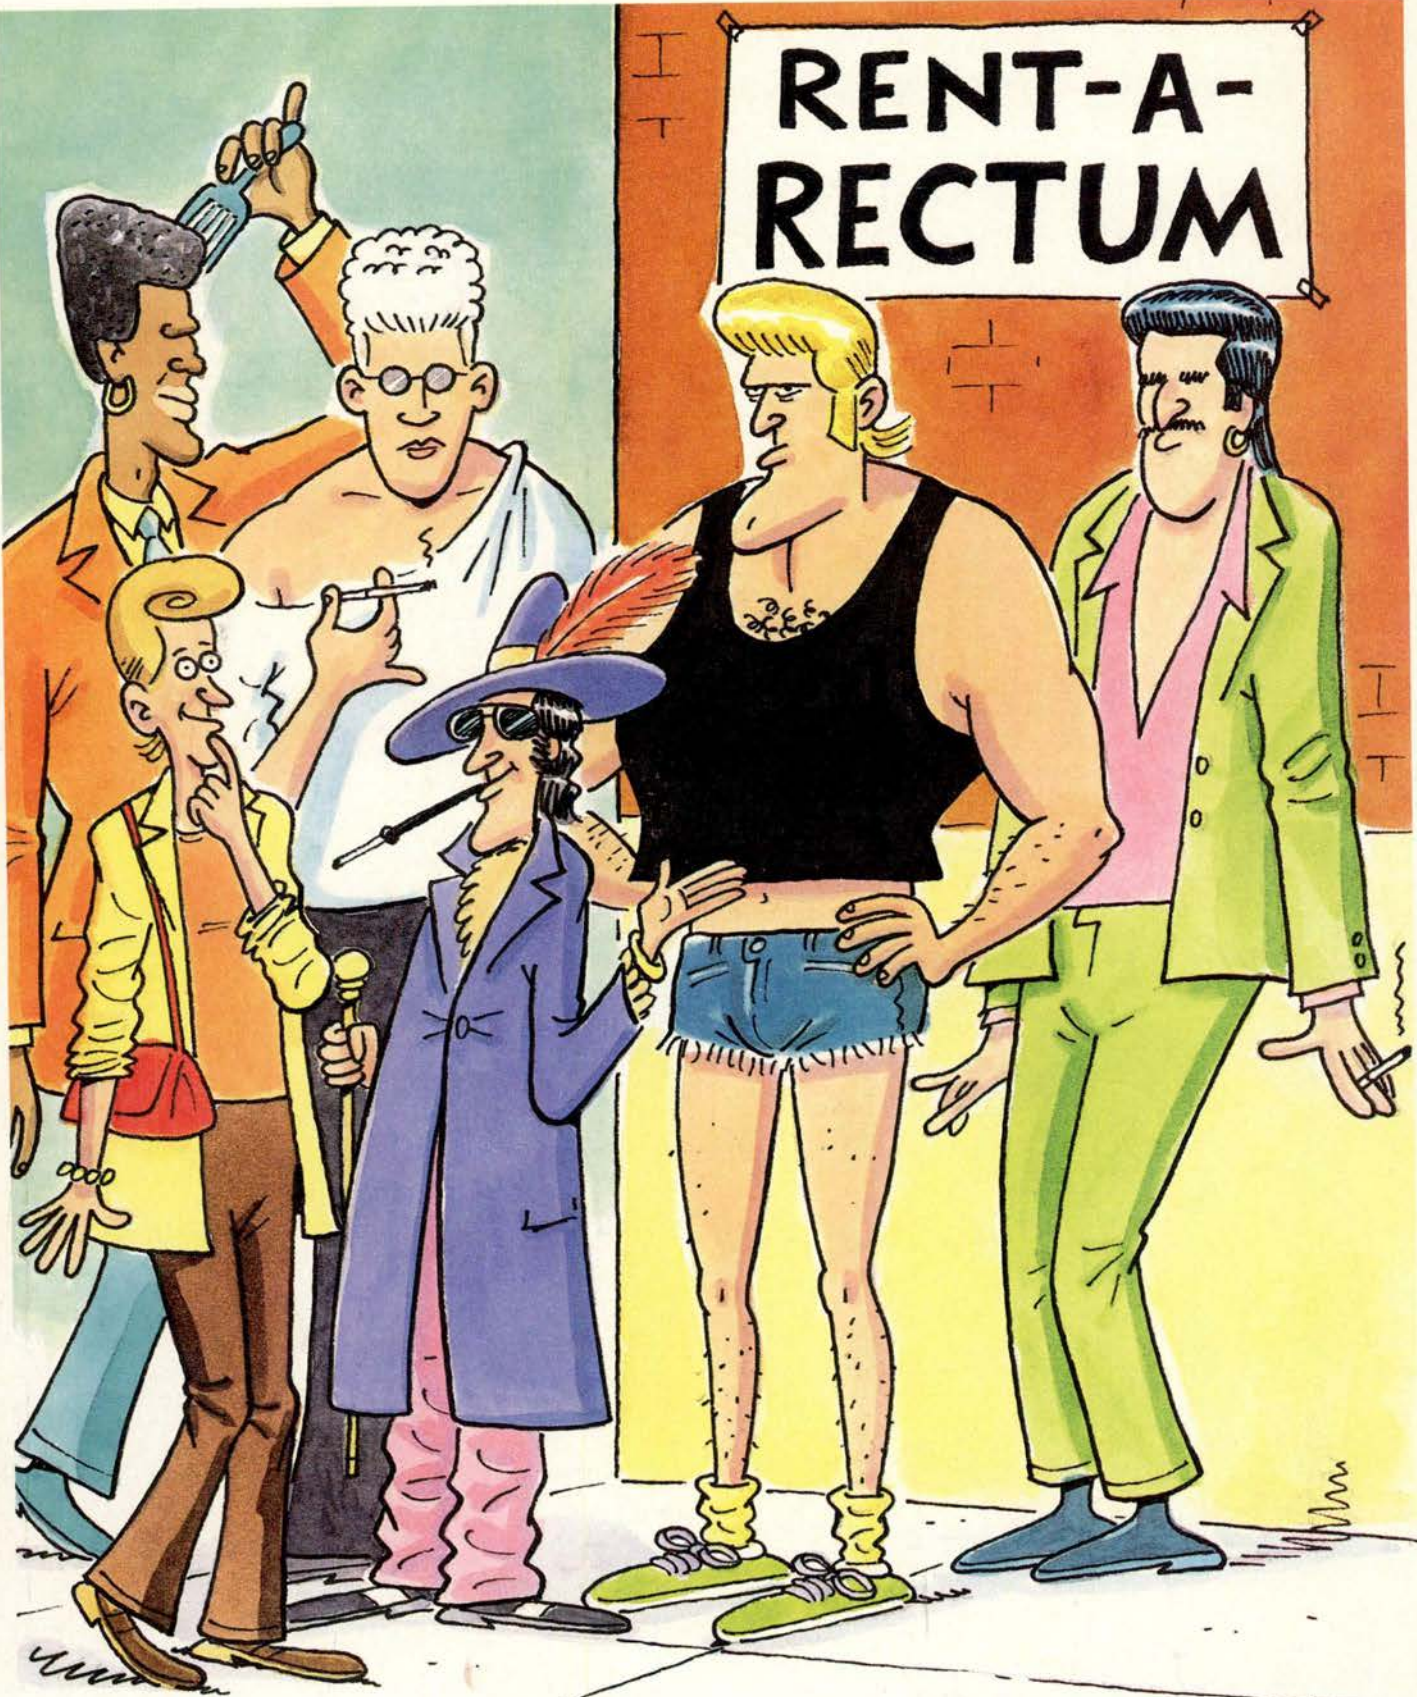

According to testimony, Judith's aim must have been off. The bullets didn't kill the girl either. In desperation Judith shoved the girl over the cliff as she screamed and grabbed at anything in sight, trying to stop her inevitable plunge. Her screams were silenced as she struck the ground below. After screwing up two times, Judith had succeeded in shutting up Lisa forever.

But Lisa cried out for justice from the grave. An informant told the police where her body could be found, and Judith and Alvin were apprehended. Alvin testified that Judith had done everything. He got

Audrey was arrested for the murder of her husband and the attempted murder of her daughter, but while awaiting trial, she disappeared.

life in prison. Judith, accused of being the actual perpetrator of the crime, was sentenced to die.

The investigation of Lisa Ann Millikan's murder revealed that this was not the Neelleys' only stab at slaughter. A couple of weeks after Lisa died at their hands, they did it again. Janice Chapman and her common-law husband, John Hancock, were also victims of the ruthless couple. Judith pleaded guilty to the murder of Janice and the shooting of John Hancock. She received life, plus ten years.

According to Judith, Alvin was a god to her. All that he commanded, she would immediately do. It was Alvin's idea to kidnap the girl. It was Alvin who got sexual pleasure from Lisa, and it was Alvin who masterminded the drain-cleaner injections and the fall from the cliff. An expert witness in her case has characterized Judith as a victim of the "battered-woman syndrome," who may not have been able to think for herself.

If there is, in fact, "battered-woman syndrome," there must be a "battered-man syndrome." Audrey Marie Hilley's hus-

band qualifies. When he got out of line, Audrey poisoned him and watched him die. Next Audrey, who became known nationwide as "the Black Widow," went to work on her 19-year-old daughter.

Like the Neelleys, Audrey had a thing for needles, and also like the Neelleys, she found the needle an unsatisfactory murder weapon. Though she injected arsenic directly into her daughter's veins, the girl refused to die.

After months of poisoning her daughter, the Black Widow's technique of gradual killing was discovered by a sharp-eyed doctor. Audrey was arrested for the murder of her husband and the attempted murder of her daughter, but while awaiting trial, she packed up and disappeared.

For the next three years Hilley traveled around the country under an assumed name. She remarried and started a successful career as a businesswoman. But her success came to a grinding halt when she "died" on a trip to Texas.

The death was faked. After changing her hairstyle and losing weight, she reappeared at her husband's side, posing as his late

wife's sister. She must have been convincing; even her husband was apparently fooled. Her charade couldn't last forever. She was eventually caught, tried and sentenced to life in prison for the death of her husband and given 20 years for the attempted murder of her daughter.

Even in prison Audrey remained a lady, putting on airs of class that were the envy of all of the other inmates. Prison officials were also fooled by her attitude. Although convicted of cold-blooded murder, Audrey was granted a three-day pass.

There was no sign of her for quite some time. Authorities scoured the country for an attractive lady in a business suit who was at ease with everyone she met. She was discovered almost dead on the front porch of a rural home less than a mile from her birthplace.

Exposure had taken its toll. Her hair was matted with mud, and her hands and fingers were chapped and bruised. Her recently healthy body had wasted away to an emaciated and filthy pile of rags, skin and bones. She breathed her last few breaths on her way to the hospital, where she died of a heart attack on arrival.

At this point you may be thinking how happy you are that these crazy females are caught and out of circulation. Keep in mind that some may soon be back on the street. For every murder-one conviction, many more are plea-bargained down to manslaughter. For every person who is caught, several more will never pay for their crimes. Some will be acquitted; some will never be apprehended.

At this writing a female bank robber is making the rounds of some of America's largest savings and loan institutions. Described as a classy-looking lady with nice cleavage, she uses her sexual wiles to distract the security guards while her accomplices pass the hat from teller to teller. She's wanted for the murder of two security guards.

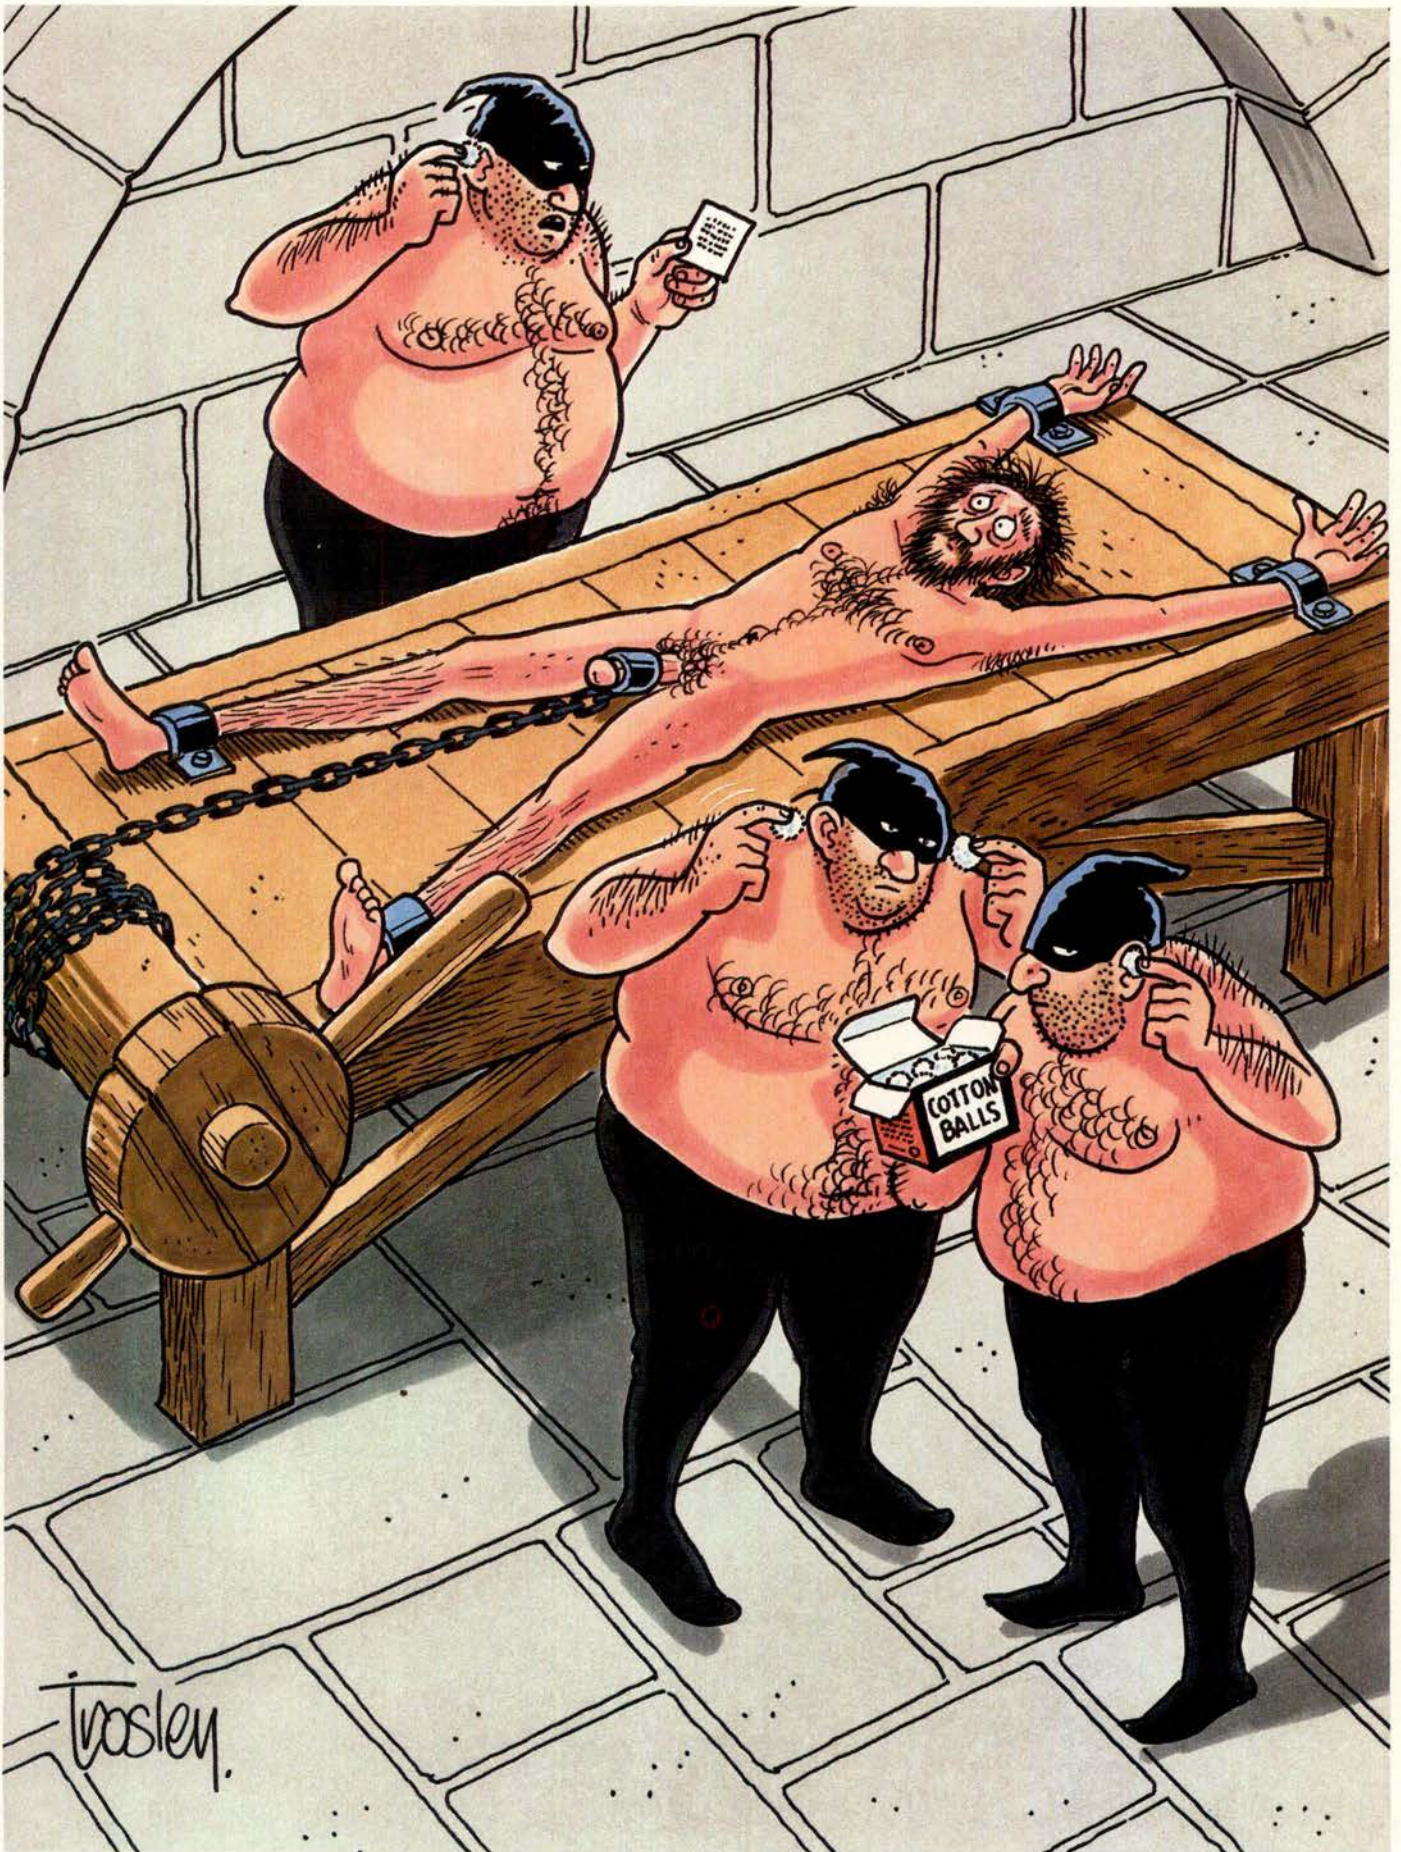

There's also a hit lady well-known in organized-crime circles for her cold-hearted thoroughness. This beauty seduces her victims and gives them the screwing of their lives. While they bask in the afterglow of fantastic sex, she cuts their throats with a razor. Not even her employers know who she is or how many men she's killed. She never leaves any witnesses.

Finally, there's the fantastic little cheerleader-type who stands by the freeway wearing a skimpy outfit that accents her round tits and fine ass. She sticks out her thumb, striking a pose that would give a corpse an erection.

That's just what you might be if you pick her up. She hasn't killed anyone yet, but everybody has to start somewhere. You may be her first. 🐼

GREASED PALM

**"S**chool was a

waste," shrugs 19-year-old Billie from the pool at her parents' home in Fort Lauderdale. Mom and Dad are away at work. She's got the day to herself.

"What the fuck can I do with a sociology degree?" she asks. "The only thing I learned at college was that you're only young once, and you'd better live for the moment.

I'm going to have as much of a good time as I can while it lasts." Suntan oil drips between her fingers as her hands glide seductively across her baby-soft skin.

"I've got no control," she claims, "and I don't want any. I want to do what feels good. That's the only way to live!"

**A** man and a woman were sitting in a bar. The man was depressed because his wife had just divorced him. Likewise, the woman's husband had just divorced her, and she was very depressed.

The man noticed the woman and started talking to her. After a few drinks she admitted to the man that she was sad because her divorce was just finalized and that her husband had dumped her because she was too kinky for him.

"Really," he answered, "that's the same reason my wife just divorced me."

Since they seemed to have so much in common, they decided to go back to her place and fuck with unbridled abandon. After about 15 minutes the woman emerged from the bathroom decked out in full leather, whip in one hand, chains in the other. She found the man stretched out naked on her couch, smoking a cigarette.

"What's so kinky about that?" she snarled.

"Well, I don't know what you consider to be kinky," he answered, "but I just fucked your cat and shit in your purse."

"One," the young man replied. "A man wanted something for a cough."

"And what did you recommend?" the pharmacist asked.

"Castor oil," the young man answered.

"Castor oil! Castor oil isn't any good for a cough!"

"You want to bet?" he replied. "That man is standing out there on the corner, and he's too scared to cough!"

**A**be hurried into the church and made his way to the confessional. When the little window opened, he told the priest that an incredible knockout with tits the size of soccer balls had come into his store. Coyly bending over in her short skirt, she'd allowed him a glimpse of her long, sleek legs, then come over to the counter and leaned down so he could see every firm inch of her glorious globes.

"So I ask her," Abie went on, "What do you want, lady?" Then she reaches down over the counter so her skirt hikes up over that beautiful tushie of hers, and she grabs for my schwanz! Before I can stop her, she's on the other side of the counter, undoing my pants and beggin' me—*beggin'* me, I tell ya!—to give it to her good! So I whip out the old pork sausage and bend her over the counter and screw her till she's poundin' her fists and cryin' her eyes out, it was so good."

The priest finally gets a chance to speak. "Abie? Abie Saperstein, is that you? Don't lie to me, Abie. I know it's you. What are you doing here, Abie? You're Jewish. Why are you telling me this story?"

"You?" Abie cries. "I'm tellin' everyone!"

The biker grinned and said, "Because, I wanna make sure that *somebody's* sorry I died."

One person had a girl who liked to have her panties wet with water and then be spanked so long that the heat would dry the panties.

Beth M. has done everything right to please her man, Philip. She's ironed his laundry, scrubbed his apartment and cooked a delicious vinegar pork-chop casserole. During dinner she smiles often, responding with interest and intelligence to his table conversation.

While Philip studies his sports page, Beth sneaks into the kitchen to get dessert. When she reappears, she's switched into a skimpy lingerie set. Beth's big, firm ass globes bulge beckoningly around the strip of dental floss that serves as her G-string. She leans far over the table, reaching sugar for Philip's coffee, switching her haunches beneath his nose.

Philip suddenly gets the picture. *Now I know what she's after*, he thinks.

Philip snaps his newspaper closed. "Come here, Beth," he demands. Her flexing glutes quiver closer to him.

"You've done it again," sighs Philip, gently but firmly taking Beth over his knee. "Must you always incite me?"

Philip's hand squeezes and kneads Beth's derriere dough with the grip of a master baker. Beth cannot help but squirm,

clasping her hands beneath her chin.

Philip raises his hand and brings the palm down smartly upon Beth's heightened ass. "But I've been good," she wails.

"Too good," agrees Philip, his hand smacking down a little harder than the previous slap. His eyes savor the spreading blush of pink across Beth's wide, white buns as his ears perk up to the elastic snap of his next slap, his hand landing just a little heavier than the shots before.

"Uhhmm," complains Beth. "If you hit that again, it's going to really hurt."

Philip hits it again, relishing the feel of Beth's pelvis in his lap as she worms reflexively. Philip's fingers flash down into Beth's gash, a slit sopping and hot. Beth twists out of her skimpy panties, her rear loaves a bright red.

Philip spanks on. He'll spank until Beth reaches orgasm, then he'll slip off his trousers and join her crimson seat pads for a rousing fuck on the dining-room floor. Man knows no better dessert than hot cross buns.

As proprietress of Shadow Lane Productions, submissive star of a line of

spanking videos and editor in chief of *Stand Corrected*, a revered spanking newsletter, Eve Howard caters to hundreds of couples like Beth and Phil nationwide. Eve entered the butt-slap arena five years ago, writing for a publication called *Spank Hard*. Her flair for cheeky prose was noted by Nu-West Productions, the nation's largest producers of spanking videos. After she'd appeared in several spanking tapes for Nu-West, the company rewarded Eve's natural predilection for reddened ass cushions, setting her up in business for herself, establishing Shadow Lane.

HUSTLER: *Why do girls like being spanked?*

HOWARD: It's a throwback to a mild form of sexual domination. It's stimulating sensorially, a very pleasurable thing for somebody who's into it. But somebody who's not into it is not going to get into it or learn to like it in most cases.

HUSTLER: *Is spanking a form of foreplay, or do women come from the slap of a hand alone?*

HOWARD: Most women who are into it think of it as a form of foreplay and expect a romantic sexual thing to follow. However, spanking alone is very powerful sexually and is just as good as sex. So sex doesn't necessarily need to follow.

HUSTLER: *Is spanking always an erotic experience?*

HOWARD: Yes. It can be erotic with somebody who isn't even a turn-on to you. It's a powerful fetish.

HUSTLER: *Do girls have a hard time finding guys to spank them?*

HOWARD: It's so easy, it's ridiculous. All they have to do is place a personal ad, and they're swamped with responses.

HUSTLER: *How many personal ads do you run in Stand Corrected?*

HOWARD: We had 125 in the last issue, 25 of which were placed by women.

HUSTLER: *But aren't those women primarily pros?*

HOWARD: We have a separate section for pros called "Personal Services." I try pretty hard to separate the pros from the regular. I know a lot of the women who are advertising.

HUSTLER: *Does a man have much chance of finding spanking happiness through placing a personal ad?*

HOWARD: For men, it's a little bit harder. A woman who places an advertisement to look for a man will get 1,000 responses. If men are persistent and advertise in all of the spanking publications and in their local newspapers, they will eventually make contact. Several local papers accept the word *spanking* in the advertisements. The people reading that ad immediately see that ad out of hundreds.

HUSTLER: *What do you look for in a man?*

"Joe, I want you to meet one of the ten most disgusting men in America...."

*"Happy birthday to you...happy birthday to you...."*

# SLAP HAPPY

One of the subfetishes is to be paddled with a wooden paddle. I got a hairbrush spanking once, and it was equivalent to torture.

HOWARD: Somebody who's not making a lot of jokes, who takes the scene seriously, who isn't too hard and severe, who gives a nice, slow warm-up. Somebody who spends a long time on the spanking. Of course, I have to be held closely over the knees. I don't like instruments, wooden hairbrushes or things like that. I don't like anything very severe. The object isn't for me to cry; it's just to get into a long, slow, sensuous kind of thing.

HUSTLER: *For some women, is the object to be made to cry?*

HOWARD: Every woman who's into it wants to have that happen at least one time, but it's not something that most people seek frequently.

HUSTLER: *Do the women cry from pain or overall emotional release?*

HOWARD: The overall emotion.

HUSTLER: *Never from the pain?*

HOWARD: Some people like it really hard. They like the idea that they're being punished and disciplined. That's a psychological thing. Some people want to be moved emotionally. That's what makes most people cry. They feel emotionally moved by

the scene. Real pain is not enjoyable.

HUSTLER: *Do separate factions exist within the spanking scene?*

HOWARD: There are people like myself who like the romantic type of thing, spanking that leads to sex. There are people who like the pure discipline. They assume that the person who is administering the spanking is only administering punishment. The recipient is a victim getting spanked because there is no other choice. Those kinds of spankings are usually extremely painful and nasty. Then there are people who like the totally sensual spankings. It's just an erotic thing, no idea of punishment involved. Their bottoms are erogenous zones, and it feels quite arousing, along with some sort of digital stimulation.

HUSTLER: *Is there any controversy over bare-bottomed spanking versus with panties?*

HOWARD: A lot of people like the progression. You start on top of the clothes, the spontaneous type of thing. You progress to the underthings and, of course, you wind up on the bare bottom. Most people like it on the bare bottom best.

HUSTLER: *Any preference between wet versus dry cheeks?*

HOWARD: A lot of people think it's erotic to have it kind of wet, like right out of the bathtub, or even wet panties. One person wrote to me recently. He said he had a girl—I think he might be making it up—who liked to have her panties wet with a glass of water and then be spanked so long that the heat would dry the panties.

HUSTLER: *Is paddling with wooden instruments considered spanking, or is spanking just the bare-handed slap?*

HOWARD: One of the subfetishes of spanking is to be paddled with a wooden paddle. Most people don't realize how hard a wooden paddle really is. Once you've experienced a wooden hairbrush, usually you don't want to go back to it again. Some things are more fun to think about than to experience. I got a hairbrush spanking once in a video, and I thought it was equivalent to torture. I only took about 50 swats.

HUSTLER: *How do you explain this type of turn-on to feminists?*

HOWARD: Feminists don't pick up this stuff, but I consider myself a feminist. I live my life the way I want to, and nobody dominates me in real life. I'm the only woman who runs a business like this. Our attitude is one of independence for women, and joy and pleasure and doing what we want to do.

HUSTLER: *What are some telltale signs that a girl is into getting her tush paddled?*

HOWARD: If a guy's trying to feel out his girlfriend, he should begin in a very careful way. Give her a playful swat now and then, and see how she reacts to it. If she says, "Hey, don't do that; I don't like that," then back off—don't do it anymore. If she giggles and maybe even teases and tries to provoke it, then you're on solid ground. Proceed a little further. Before getting into a formal, over-the-knee spanking that's going to be more than a few swats, talk to the person and determine the receptiveness. You just can't take a woman and try to do that to her. Like any other sexual advance, you feel somebody out first.

HUSTLER: *You could get arrested.*

HOWARD: Or at the very least piss somebody off.

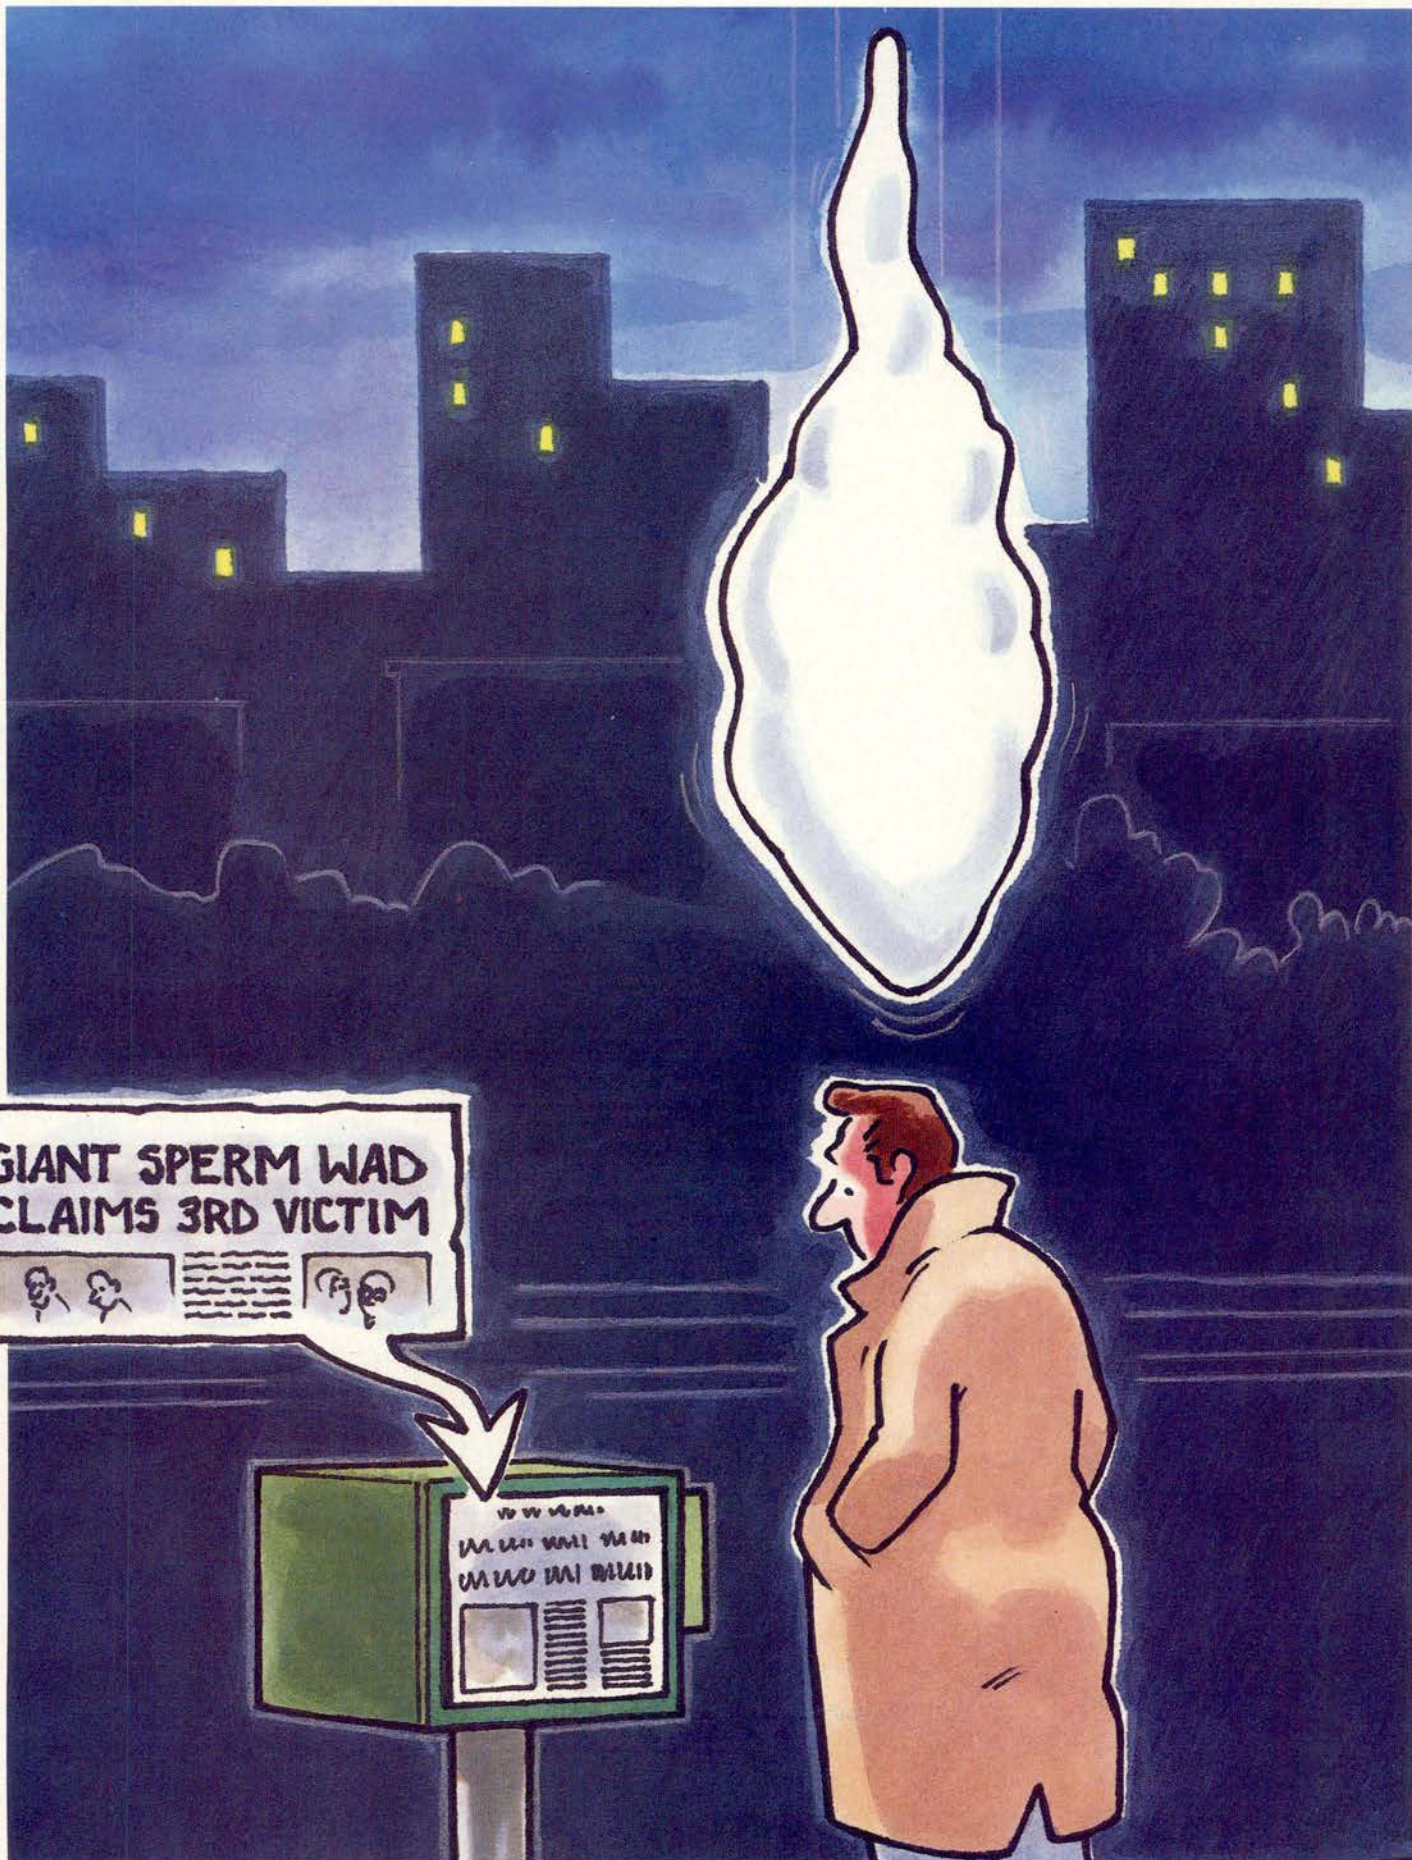

HUSTLER: *How much is too much?*

HOWARD: That's an individual preference. Most women into this are very verbal. They're very sure about exactly what they want, and they'll let you know.

HUSTLER: *Is sound a big factor in the spanking aesthetic?*

HOWARD: A lot of people really enjoy the squeals or moans or cries. People like my videos because I make a lot of noise—crying sounds and squealing and yelling and kicking and screaming and stuff. In

# SLAP HAPPY (continued from page 86)

After a guy has a spanking session, he's so turned-on that it's a very good time for him to have some kind of sexual activity.

my real-life sessions, I'm relatively quiet. Some moaning, some groaning, because I'm really having a good time, but I don't really like to do a lot of screaming and crying—that's rather exhausting and just shows that you're getting it a bit too hard.

HUSTLER: *What about the sound of the hand smacking the bottom?*

HOWARD: I think that's a lot more significant for men. Another part of it is the redness factor. A lot of people really get turned-on by turning from white to red. The dominants are more in tune with that. They administer it and get to see it.

HUSTLER: *What do men get out of spanking a woman?*

HOWARD: It's a mild, sexually dominant act. It's loving and affectionate. The woman is over the knee; the genitals are almost together at that point. You feel the weight. Of course, men who are into spanking are ass men; they like the female bottom. That's their favorite part. The actual act of spanking over the knee is the ultimate turn-on for them.

HUSTLER: *What's the appeal for a woman to be spanking a dude?*

HOWARD: I've found very few women who want to spank. At least so far the percentage is really tiny. A lot of women are willing to switch roles with a partner that they really like, but the impulse is actually for most to be submissive.

HUSTLER: *Do a lot of men want to get spanked?*

HOWARD: Over 50% of my male customers are switchable, meaning they like to go both ways. The fantasy is of a governess or a businesswoman or an authoritative, slightly older woman, not a mommy. Some men do want a mommy, but mostly they want a sexual woman who's very attractive, but mature. That is the fantasy.

HUSTLER: *Are spanked men emasculated?*

HOWARD: Not at all. After a guy has a spanking session, he's so turned-on that it's a very good time for him to have some kind of sexual activity. A woman giving the spanking would tell the man to masturbate in front of her, if she's that dominant. If a wife or playmate is doing the spanking, they will have sex afterward.

HUSTLER: *Then he'll spank her?*

HOWARD: Uh-huh. People don't switch

during the same session. It's too confusing to the fantasies. You're either one way or the other. There are some exceptions, but by and large, it's one day, one fantasy.

HUSTLER: *Did you have a lot of fun performing in spanking videos?*

HOWARD: I did not really enjoy making most of them. The video audience demands a lot of severity. Not severity to the point where it's sadistic, but more than I like. Severity is not that popular when it comes to actual one-on-one activity, but in videos people want to feel like they're getting their money's worth. I've also done several videos with females, and I don't really get into getting spanked by females, but that's a huge fetish of men who are into spanking. All men into spanking like to watch women spank other women. Most of the women into spanking do not like to watch women spanking other women.

HUSTLER: *Do the women enjoy watching men spank other women?*

HOWARD: Yes. Absolutely.

HUSTLER: *What's the most popular type of tape?*

HOWARD: The girl-spans-girl and the man-spans-girl videos are equally popular. Then I also have female-spans-male, and that's popular too. All of the combinations are popular.

HUSTLER: *Is one individual commonly into all of it?*

HOWARD: No. Men are usually into male-spans-female or female-spans-female. However, the men who are into being spanked by females can usually appreciate a little bit of everything.

HUSTLER: *Have you had any law-enforcement crackdown on your product?*

HOWARD: Nuh-uh. You couldn't call it sadism. It's a lot more playful. I don't think there's anything that anybody could object to. There's no sex. We aren't allowed to combine sexual activity with any kind of corporal punishment in videos.

HUSTLER: *Any bondage along with the spanking?*

HOWARD: Not so far, but we plan to put some bondage in our videos in the future, especially the ones with men being disciplined by women. To be tied down and strapped is very erotic.

HUSTLER: *And more politically acceptable than a bound woman.*

HOWARD: Yes, unfortunately.

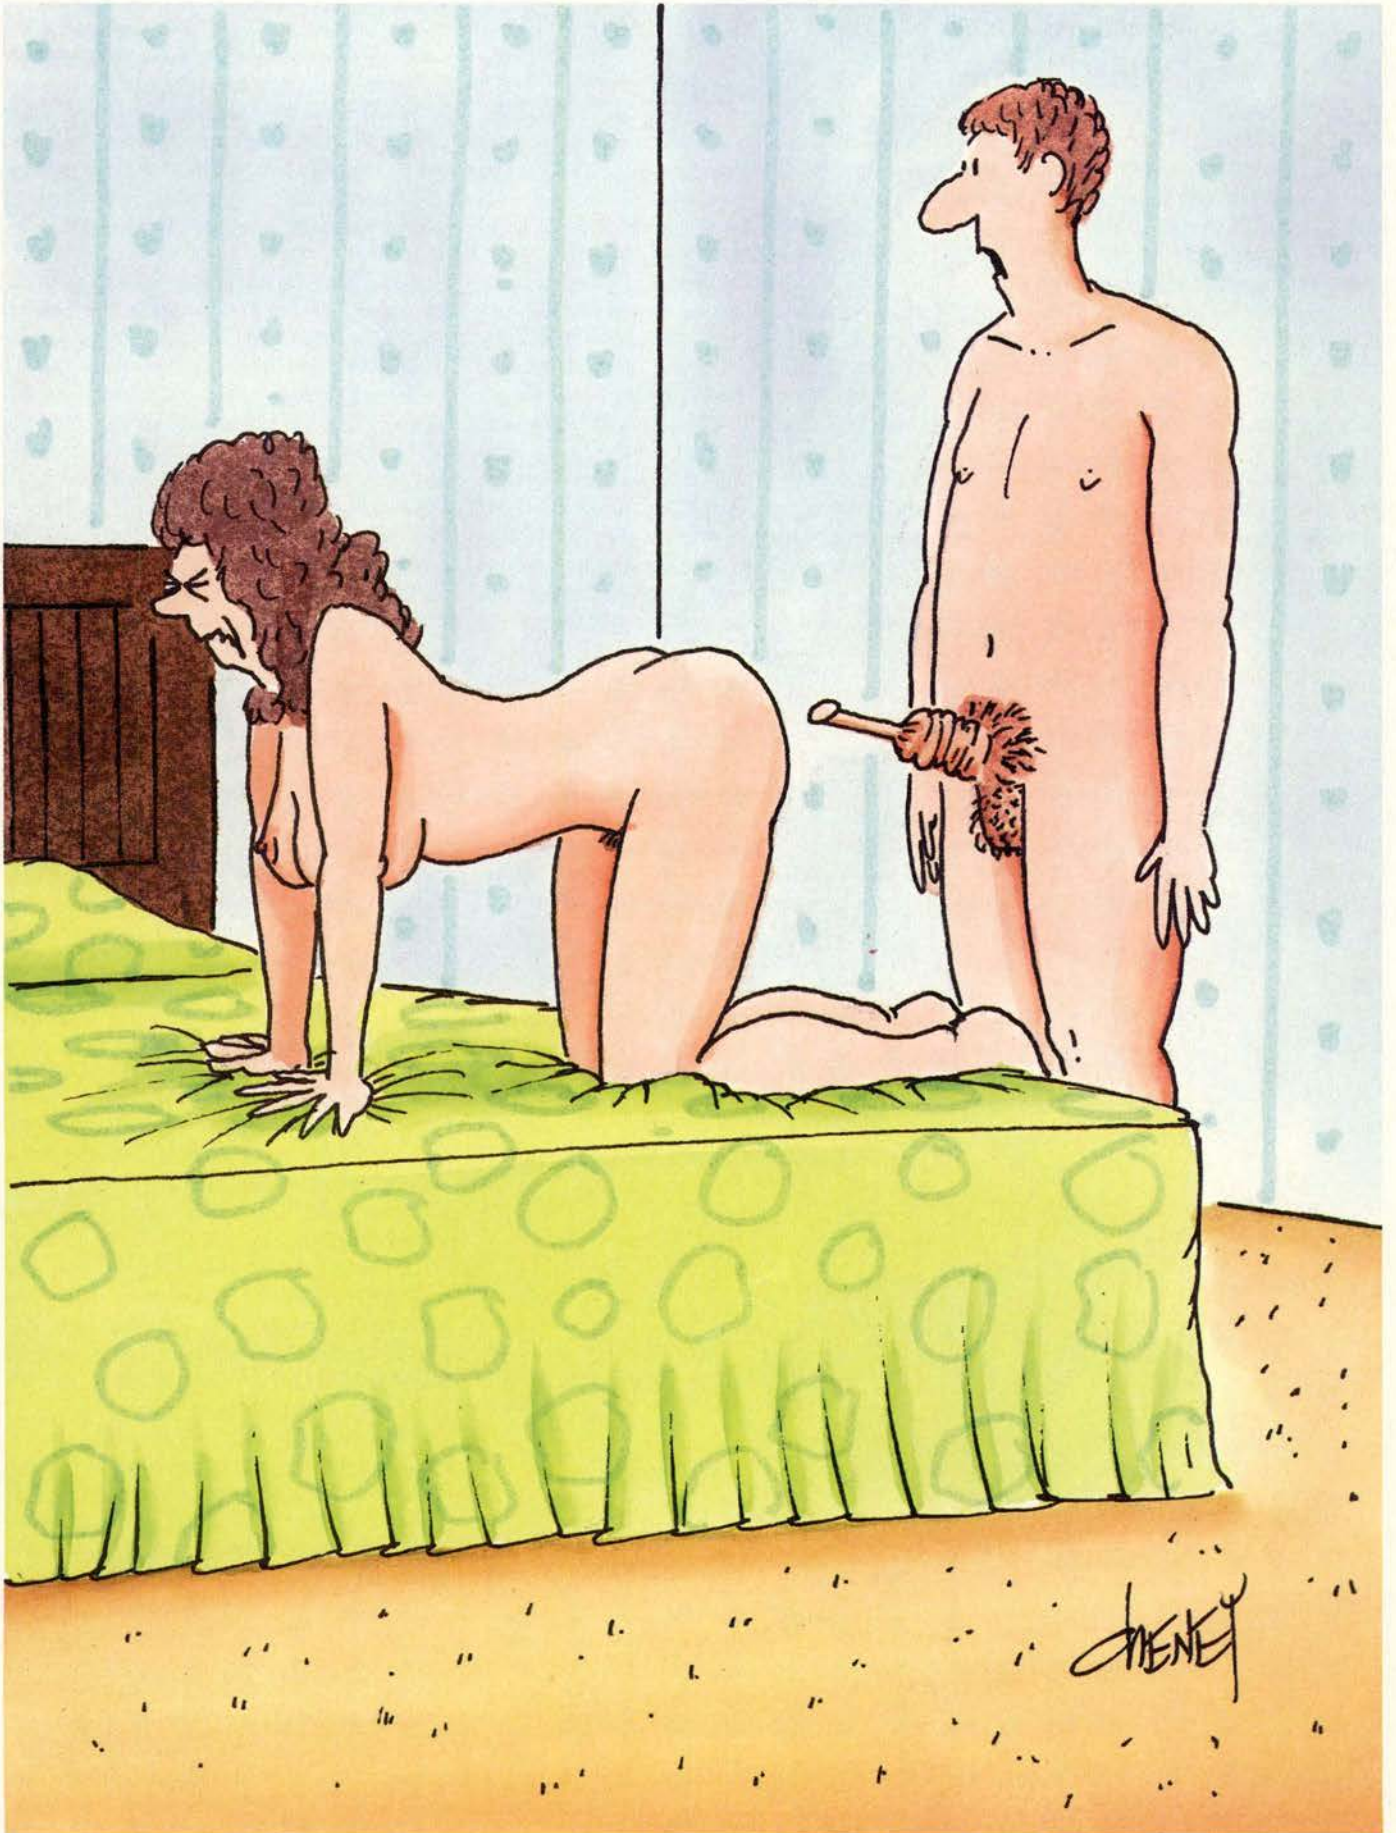

HUSTLER: *Do you think this article will awaken a thrill in people who don't know they are spanking enthusiasts yet?*

HOWARD: No. That's not possible. This is a very strong fetish. When somebody's into it, they're into it for life.

## DARK BROTHERS (continued from page 50)

Dark whispers, "Debi is so sex-crazed, she'd lick her pussy if she could." Then, louder, "In and out of her pussy with your fingers, Tom."

scene, then the Debi Diamond gang-bang. There's some confusion as to which stud is going to bone Debi in the ass. Debi solves that one by producing her boyfriend, Blake Palmer, a complete surprise to Dark.

"He doesn't have AIDS or anything," avers Debi, "he's not in this business anymore; so I trust his dick in my butt." That settled, Palmer is rushed into costume and makeup while Debi and Torn Hymen, the "legit" actor who's playing the nonsex lead role, film their dialogue.

After a few takes four aliens, clad mostly in silver jockstraps, come through the window and proceed to fill every orifice in Debi's body.

She thrusts herself into the scene with such abandon, you forget that it's a gang rape. As he takes his place in front of the monitor, Dark whispers, "Debi is so sex-crazed, she'd lick her pussy if she could." Then, louder, "Play with her pussy. In and out of her pussy with your fingers, Tom. Yeah. That's good. Good! Suck on his dick while you're doing that, Deb—always have a cock in your hand and your mouth."

One by one the guys come. Debi is so

enthusiastic that Dark says, "You can come on her again if you want." They do. By midnight, Debi Diamond is a quivering, heaving, writhing, pussy-fucked, butt-fucked, mouth-fucked, tit-fucked, cum-dripping goo-goddess. Time to call it a day.

Friday was mental patients and aliens. Saturday is Duck Man and Dumpster Girls.

Duck Man is Marc Wallace wearing a duck mask and quacking while he strokes his dick. His inspiration is Krisstarah Knight, who walks around the room in spike heels, pulling a little toy duck behind her. Wallace dicks her in the ass.

Tianna and Heather Lere are the Dumpster Girls. Their sex scene in a trash bin smokes. It's so hot, Dark just stands there speechless.

"I usually don't even like watching girl/girl scenes, they're always so phony," Dark says. "I usually say something. There was nothing for me to say, they were so hot. I shot an extra hour."

At around 9 p.m. the crew moves lights and camera to the busy boulevard in front of the soundstage for some exterior shots. The bar on the corner empties and traffic

stops when Tianna, Heather Lere and Krisstarah Knight come out and lean against the building to do impersonations of hookers.

When Torn Hymen, dressed as a pimp, says a few words to the camera and walks off down the street arm in arm with two hookers, two bloods in a double-parked '82 Cadillac call out, "That's wrong! Ain't no real pimp be escortin' his bitches!"

\* \* \*

Sunday's sex scenes are shot in an old two-story house not far from the soundstage. At first things are tense because one of the actors refuses to wear a dress. So the transvestite angle has to be scrapped. Instead, Dark decides to make this guy the filthiest bum in L.A. As the writer, who happens to be on hand, sets about writing a new scene, Dark says, "And make him a guy who's never had sex with a woman under 50. He wants Fred to fix him up with a 20-year-old girl—to see if he likes it."

Then, followed by six people, Dark goes upstairs to a tiny bedroom to film Nikki Wilde and Beau fucking. Since this is a fairly conventional sex scene, it moves along quickly and wraps in under an hour.

The flashback scenes of the prostitute mother (Kelly Royce) observed turning tricks and receiving money from departing clients go smoothly. The sex scene, however, does not. The two guys with Kelly have hard-on problems, and what was supposed to be a double-penetration devolves into a lackluster threeway.

Dark is confident that with skillful editing he'll get a hot scene, and remarks, "Sometimes the hottest scenes go flat in the finished product, and the flat ones, when edited, get extremely hot."

\* \* \*

Back at the soundstage, while the crew sets up for the final exterior night shots in the alley, Greg Dark has time for a couple of last questions.

"How did the shoot go?"

Dark: "I haven't done one of these in three or four years, but I just fell back into it, telling girls to stick their fingers in their asses. I think some of the people were a little shocked to hear that from a director. I run at the mouth when we do these scenes, but I don't want some girl to just lie there and get boned. They have to reach. In the old Dark Brothers stuff, we made 'em reach, and in this one, I'm very happy with some of the scenes. I think they reached."

"So you're glad to be back?"

Dark: "Yeah. Adult films are fun to shoot, compared to the general-release films and TV stuff I've shot. There's so much less stress, the people are fun, and there's an ease on the set that I never experience on a general-release shoot—people are always so paranoid about their next job. In this business it's just fun." 🐣

"Hell, Vern, these batteries are as dead as yer pecker!"

# BEAVER HUNT

Photo by Friend

If you could tear your eyes from 25-year-old Sheena's sunny tits, you might notice the sexiest bellybutton in Evans, Colorado. Sheena is a student who weightlifts and goes dancing whenever possible. She puts a new twist to her workouts. She'd like to be licked to orgasm while bench-pressing.

Photo by Boyfriend

Nineteen-year-old Kimi is an insurance agent from Voorheesville, New York, who's not afraid of physical injury. She likes camping, cocksucking and full-contact football, and she's looking for a threesome with her boyfriend and another hot girl or guy. Talk about coverage—and the bright side of quarterbacking!

Never fear—the fur is here! If there's a special critter in your life that would like to join the Hunt, snap a clear color picture of the precious pink and mail it to HUSTLER Beaver Hunt, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. If we print it, she'll get \$250 and a chance at an extended photo-feature worth \$5,000. Finalists win \$1,500 each. Their photographers win \$250, and the photographer of the Grand Prize Winner gets \$500. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the nonreturnable property of HUSTLER Magazine.

## AMATEUR PHOTO CONTEST MODEL RELEASE/ENTRY FORM

## WIN \$5,000 CASH!

To enter HUSTLER Beaver Hunt you must fill out and send this release and COPIES OF TWO FORMS OF ID, ONE WITH PHOTO (i.e., driver's license, passport, work or school ID card or photo ID issued by a state). Second ID can be a birth certificate, selective service card, baptismal certificate, Social Security card, credit card, marriage certificate or immigration card. Send photo copies, not originals. Send two or more sharply focused color prints or slides. Showing pink is optional at entry stage. All photos become the nonreturnable property of HUSTLER Magazine, which buys all rights in perpetuity to photos we publish. If we publish your photo, you'll win \$250 and a chance to be chosen for an extended pictorial worth \$5,000. Send photos, IDs and release to HUSTLER Beaver Hunt, 9171 Wilshire Blvd., Ste. 300, Beverly Hills, CA 90210.

Did you ever see a naughtier expression on a nurse's aide? In addition to hospital work, 23-year-old Amber from Newark, Ohio, works as a dancer in a female revue. Bodybuilding and horseback riding are her favorite hobbies, and if she had her way, she'd add to the exercise by making love to two well-hung men on a moonlit beach.

Photo by Boyfriend

Twenty-year-old Bengie works in a paper factory in Rochelle, Illinois. She likes to read, knit and fish, and whether or not she's any good at any of the above, she'd like her boyfriend to put her over his knee and spank her, telling her how bad she's been, then fuck her till she comes. Good fantasy for a bad girl.

Photo by Husband

Forty-three-year-old Athens from Elmhurst, New Jersey, strikes a classical pose. She's unemployed and has plenty of time to indulge in her hobbies, which are chiefly music and sports. Athens says her mission is "to get the strong passion through all life." She speaks perfect body language.

Honey-blond Tara from Fontana, California, is a 20-year-old clerk with a 24-karat smile whose favorite thing to do is party with friends. Tara confesses to dreaming about having sex with a bunch of people all at once. Hey—sounds like an orgy! She's got dibs on the couch.

Photo by Boyfriend

The unsung glory of middle America is its blue-ribbon women. Judging from Betty, Berwyn, Illinois, is one step closer to the crown. This 30-year-old housewife likes dancing, playing badminton and making sweet love to her husband. Her fantasy is to fuck her husband and another man at the same time. Who could share a bod like Betty's?

Photo by Husband

Photo by Husband

Spartanburg, South Carolina, keeps 21-year-old Brook expanding her sexual horizons. She's a housewife and dancer who's into tanning, fucking, sucking dicks and posing nude. She'd like to have five guys to fuck at once in the middle of a packed concert. Led Zep-pelin might get back together any day now.

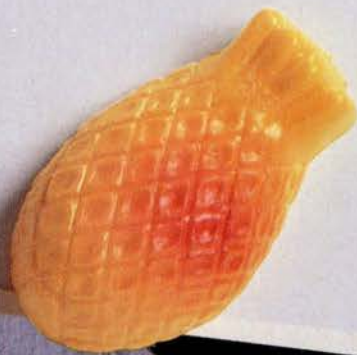

Photo by Husband

Twenty-eight-year old Carol from Richmond, Virginia, says she'd really like to make X-rated movies, but she doesn't know who to talk to. She's a clerk who likes swimming, gardening, lots of sex and sun-bathing. Her fantasy is to be a centerfold, become an X-rated movie star and get wild at a swim party. In that order?

Photo by Husband

Mandy is a 22-year-old dental assistant from Boise, Idaho. Shopping and giving lingerie and sex-toy parties are her pleasures. Her fantasy is to give her husband the ultimate blowjob of all time while her girlfriend licks her bald pussy. A blowjob from a dental assistant! Talk about an expert in the field!

Photo by Boyfriend

Secretary Sheila is 35 years old and a resident of Houston, Texas. She loves to hunt, fish, sunbathe nude and blow her boyfriend. Making love to her cowboy at sunset on the beach in Acapulco is her dearest wish. A woman with a bird tattooed on her tit has got to fly high.

Fresh-face Heidi hails from Keene, New Hampshire. She's a 21-year-old cleaner who hasn't gotten around to cleaning her closet, probably because she's too busy modeling, bike riding and shopping. Heidi didn't tell us her fantasy, so this is ours. Two lesbo beauty-pageant winners emerge from under her bed and compete for Heidi's sweet, young cunt.

Photo by Boyfriend

No jokes about withdrawals and deposits—26-year-old bank teller Wendy from Las Vegas, Nevada, means serious business. When she's not waterskiing or shopping for clothes, she's dreaming about fucking her husband in a glass elevator 30 stories high.

Photo by Husband

Photo by Boyfriend

Aerobics has paid off for 23-year-old Terri, who stands and delivers in the best possible way. Terri lists no occupation, but it's clear she's not unoccupied. Reading HUSTLER with her boyfriend is her favorite pastime, and she yearns for a ménage à trois with her boyfriend and another woman. That's HUSTLER's influence, all right.

# ENLARGE YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

The MAXUM-TEN is the ONLY PENIS DEVELOPER you will ever need!

Is the size of your penis bringing you down? Sure, the medical authorities say the size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the MAXUM-TEN ELECTRIC VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the MAXUM-TEN, you will see yourself grow to dimensions you never thought possible.

## HOW CAN THE MAXUM-TEN ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. Regular use of the MAXUM-TEN gently urges the caverns to expand . . . expand . . . expand. You'll see the astonishing results the first time you use your MAXUM-TEN. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG . . . how really FAT . . . how LONG . . . how HARD and STIFF your own penis can get! And after regular sessions with the MAXUM-TEN you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

## THE MAXUM-TEN IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 — the MAXUM-TEN is "quite as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. The MAXUM-TEN is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. If you are truly serious about penis enlargement — the MAXUM-TEN will do the job for you!

# WHY BUY...OR RENT... THE SAME OLD BORING VIDEOS FEATURING THE SAME OLD BORING PORNO STARS, WHEN YOU CAN BE WATCHING THE HOTTEST, MOST EXCITING NEW CONCEPT IN ADULT VIDEO ENTERTAINMENT!

### A RARE TREAT!

Where pornography has been legal, accepted and available for quite some time, consumers of adult entertainment found themselves getting jaded, bored, and in search of something "new". Tired of the same old productions being offered at exorbitant prices and featuring the same shopworn porno actresses, a small group of adventurous couples got together and started a club so they could purchase or exchange with other members, high-quality videotapes featuring amateurs having explicit sexual relations of all kinds! If you've never seen an "amateur" hardcore video before, you are in for a treat — there is nothing quite like it! There is something so spontaneous, so exciting, and so downright cock-stiffening about seeing real, ordinary people like housewives, stewardesses, sorority girls, secretaries, nurses, and their lovers having oral, anal, group, and kinky sex that you must see it to believe it. When you realize that the young girl from Des Moines who takes two cocks up her ass at once, (tape #SV-31) is actually a receptionist for a law firm, it adds a new dimension to your sexual pleasure... one that is pretty hard to beat! Or when you see the young blonde housewife experiencing triple penetration, (tape #SV-45) and realize that she could be your next door neighbor, it's enough to make your mouth water with sexual excitement! There's no doubt about it, this new concept of hardcore amateur video has caught on. It is now the hottest, most in-demand type of sexual video.

### SOME MEMBERS WISH TO PERFORM BEFORE THE CAMERAS!

But, you DO NOT have to perform sex acts on camera to be a member and enjoy all the benefits. And you DO NOT have to place your name and/or phone number in our confidential phone book. We would need your consent and signature to do this. Therefore, if you so desire, you can remain completely anonymous and just purchase videotapes or photo albums for your viewing pleasure. **THE CHOICE IS YOURS!**

### PROFESSIONAL QUALITY WITHOUT THE PROFESSIONAL PRICE TAG!

These are not typical "home-made" videos. We are dedicated to quality. These productions are shot live in homes, motels, apartments, backyards, vans, garages, etc. After our experts select them, they are professionally converted to 3/4" master tape, color enhanced and duplicated with state-of-the-art technology. The quality is as good as store bought tape — but with one big difference... the PRICE! No big name stars, no big production costs, no big staffs and crews, and no big

royalties to be paid. The net result is you have access to the hottest new idea in sexual entertainment for little more than the cost of a blank tape!

### YOU CAN BECOME PART OF THE SOPHISTICATES!

If you are really interested, and we mean really, you can become a member of The Sophisticates and enjoy all the benefits and privileges of membership. We do however insist on your absolute sincerity, since after all, the other members are revealing their personal identities to you, taking you inside their bedrooms, and allowing you to watch them having intimate sexual contact. It's important that you be sincerely interested in viewing what some people may consider downright kinky or even sexually deviate. This invitation is not for the squeamish or sexually timid.

THIS SUBLIMINAL CASSETTE CREATES A SEXUAL DESIRE FOR YOU

## AMAZING TAPE SEDUCES WOMEN!

SHE THINKS IT'S ONLY MUSIC, BUT SHE'S BEING EROTICALLY PROGRAMMED TO LOVE YOU!

CAN WORDS HIDDEN UNDER MUSIC SEXUALLY AROUSE A WOMAN AND FOCUS HER PASSION ON ONLY ONE MAN?

**YES!!** SIMPLY insert the MEPHISTO SUBLIMINAL CASSETTE (car-home-portable). She will *only* notice music, BUT inaudible, hidden commands penetrate her subconscious mind. Soon, she wants you with an overpowering passion.

### Become her Obsession!

Scientific Demonstrations prove: Subliminal stimuli activate involuntary bodily responses such as: **SEXUAL AROUSAL!** That means Mephisto's "hidden" orgasmic subliminal commands will secretly focus her erotic urges on you and plant your image (like a seed) deep into her subconscious swelling her sexual excitement to the edge of orgasm!

Sexologist agree: The process of bonding (the choice of "only" one man) occurs in her subconscious and is the trigger to a women's **SEXUAL DESIRE!!** Mephisto's Subliminal technology converts Seduction from an Art to a Science.

### ACCLAIMED WORLDWIDE

"Finally getting my share!! Thanks." *BE MA.*  
"I know for a fact it works!" *C TEX*

- 6) Have visions of your hands in foreplay.
- 7) Lose her modesty and inhibitions!
- 8) Urgently need you to give her a climax!

DEVELOPER NOW  
OFFERED AT A  
FRACTION OF ITS  
ORIGINAL PRICE!**

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

**Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.** Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

**How does our penis developer increase your penis length and diameter?**

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

## SMALL PENIS? ERECTION PROBLEMS? ADD 3 INCHES AND HAVE A ROCK HARD PENIS!

A lot of men cannot obtain an erection to penetrate their sex partner, and once penetration is achieved they cannot maintain a dynamic erect penis.

**MR. ERECTO is successfully used by hundreds of thousands of men to obtain a hard penis and add a minimum of 3 inches to the penis.**

So easy to use you'll wonder after the first time you use it why you've been without Mr. Erecto so long. Suppose you have difficulty getting an erection. No problem. As if by magic you can penetrate the tightest and smallest opening, or what happens when your partner demands more from you and wants to feel you inside instead of an artificial 8 inch or 9 inch dildo. No problem! After adding 3 or 4 inches to your stiffer penis you can do as you wish. Your partner can feel your throbbing penis deep, deep inside.

### THE URGE TO MASTURBATE AND NO ERECTION?

For those who have the urge to masturbate and the penis is unwilling to perform, Mr. Erecto has helped thousands of men obtain a rock hard thick erection.

### HOW DOES MR. ERECTO WORK FOR YOU?

Many of our satisfied users tell us that Mr. Erecto increases firmness and sexual stimulation to the penis. This stimulation helps you to produce a powerful throbbing erection.

If you experience difficulty in obtaining an erection or wish to prolong the sex act or you wish to add 3 inches to your penis, then you owe it to yourself to try Mr. Erecto. No matter what size your penis is now we guarantee Mr. Erecto will prosthetically add a minimum of 3 inches and add 30 per cent diameter to your penis.

**ADDED BONUS-** Mr. Erecto has been shown to be effective to prevent premature ejaculation. ORDER TODAY. You can do something to help yourself if you act now. This may be the greatest investment you ever made to end sexual frustration forever.

# HUSTLER

November HUSTLER on sale September 18, 1990

## JAMMIN' JELLY ROLLS

November's HUSTLER follows sun-sweet ass cheeks into the hottest winter yet. A gash-clash unfolds when a petite-chested bleach-blonde throws her city-pale, dark-nippled tits into the arms of a big-breasted, all-over-golden girl; a cleft-chin beauty takes her slice of pink heaven in both hands at a tropical island paradise; the winter's darkest, wettest muff kicks back in the privacy of a locked-door bedroom; and a cold-war fantasy between a horny Mata Hari and a gun-happy East German border patrolman reveals that Iron Curtain sex was hotter than *perestroika*. HUSTLER in November raises temperatures. Ride out the winter with us.

## BITCH GETS THE BACKHAND

Marriage counselors report that one out of every six American marriages involves at least one incidence of violence each year. More often than not, the wives fall under the fist. Writer Antonio Smith reveals the blood and bruises behind the veil of domestic tranquillity in *Till Death Do Us Part*, a sobering inquiry into the state of disunion.

## X ON YOUR REPORT CARD?

No one knows more about the ins and outs of adult sexuality than jizz-biz brainscribe Christian Shapiro. Next month, he presents HUSTLER's *Dictionary of Sex*, where you'll find definitive Shapiroisms on topics from assholes to zoophilia. It may be dirty, it's certainly fun, but most of all, it's *educational!*

## DREAD INBRED

No man in America can marry his sister, but in many states, he can wed a cousin. *Inbreeding* is what it's called, and its effect on the children such couples produce is sad indeed. Writer Michael Lipton tours the sorry history of genetic consanguinity in *Bred Sorrow*. Monsters are made of this.

## BEST OF THE REST

November's *Sex Play* takes a hard look at a Hollywood hustler's casting-couch girl-trap in "Star Faker" by Lloyd Collins; *Hot Letters* rips the lid off of the average Joe's dick life; *Beaver Hunt* proves yet again that American women are the sexiest women on earth; and enraged black man Rufus T. Bloodbone hijacks *Bits & Pieces* and unleashes the darker side of racist humor. All in HUSTLER in November. Pick us up. We won't let you down.
